

About the Pine Hill PTO

Welcome to the Pine Hill Elementary School PTO! Please review the enclosed materials for more information about the Pine Hill PTO.

Mission: Student Enrichment, Teacher Appreciation, Community Building

The mission of the Pine Hill Elementary School PTO is to create an inclusive and connected community of students, families, and educators through enriching educational experiences, teacher appreciation, and community-building events.

Funding

PTO activities are funded by your PTO dues and donations, as well as volunteer-led fundraising events and activities. A tentative Calendar of Events for the year and an overview of PTO finances are enclosed to give you a better picture of what your dues and other funds raised help to make possible.

2023-2024 Dues and Donations

As a parent/guardian of a student at the Pine Hill Elementary School, you are now a member of the Pine Hill PTO - welcome! **The PTO dues for the 2023-2024 school year are a suggested \$50 per student or \$100 per family**; however, families should contribute what is most comfortable for their budget. Additional donations beyond the annual dues are always welcome to help support our student enrichment activities. The dues and additional donations are the first step in helping the PTO fund our per-student spending for the year (See Financial Snapshot).

To pay your dues, please visit the Pine Hill PTO Store at <https://pinehillpto.membershiptoolkit.com/>. Create and/or update your family information in the Membership Toolkit directory, then "purchase" the annual dues and make any additional donations. You can pay electronically via Membership Toolkit, or alternatively, you can complete the enclosed form on the last page of this packet and return it to school along with a check payable to "Pine Hill Elementary PTO" **by October 21st, 2023**.

We are hoping for participation from all Hanlon & Deerfield families and are looking forward to an exciting school year as we transition together to Pine Hill Elementary School this spring!

General PTO Meetings

The Pine Hill PTO holds two or three general meetings during the school year - one in the fall and one or two in the spring. For the convenience of our families, these meetings are held online via Zoom. These meetings will be announced via email, included on the [Pine Hill PTO Google Calendar](#), and posted on the Membership Toolkit landing page once scheduled.

Want to Get More Involved?

All PTO programs are managed by parent and caregiver volunteers like you. Volunteering is a great way to meet other Pine Hill families. The success of the Pine Hill PTO can be measured in the cooperative spirit with which families and staff work together on behalf of our Pine Hill students. Want to help out? Committee Descriptions:

Fifth Grade Planning   

Winter-Spring

The Fifth Grade Planning Committee plans a series of events for our fifth grade class including a fifth grade service project, a fundraising event, a graduation party, and moving up ceremony.

Math League (Grades 3-5) 

November-April

Math League is a program open to students in grades 3-5. The goal is to make math more fun and approachable to kids of all abilities by helping them apply the skills they have already learned in a team-oriented, energetic setting. Students meet one morning per week, playing games and solving problems in teams. In April, each grade competes in a meet against the other Westwood elementary schools. Parents “coach” the practices, helping the kids apply what they know to problems that are new to them. **You do not need to be a math whiz to help – all that is required is enthusiasm and a sense of humor!** Parents also do not have to commit to coaching every week – one parent for each grade helps coordinate the coaching schedule.

Spring Parent Social Fundraiser  

January-May

The Spring Social Committee organizes a casual parent social. Tasks include securing a venue, silent auction items, and publicizing the event. The goal of this committee is to organize a relaxed event where Pine Hill parents can have some fun, socialize and raise some funds for the PTO.

STEAM Fair   

December-January

The STEAM Fair Committee coordinates an evening event all about creativity! Students share their optional at home Science, Technology, Engineering, Art and Math (STEAM) projects. The Committee works with the School Librarian to plan and coordinate the event, identify volunteer needs, and help set up the event.
