

**2024 MCAS**

**Data Presentation**

# Key Findings

- Continuation of overall high performance
- Strong Student Growth Percentiles
- Performance in comparison to like/nearby districts remains highly competitive
- An opportunity to examine subgroup performance, and identify strategic priorities for systemic improvement to close achievement gaps

# Different Ways to Look at Data

- Looking at Westwood achievement over time
- Analyzing Student Growth data alongside achievement measures
  - Comparisons to like/nearby districts

# Different Ways to Look at Data

- Percent Meeting/Exceeding
  - The percentage of students whose scores are in the categories of “Meeting” or “Exceeding” Expectations, as opposed to “Partially Meeting” or “Not Meeting”
- Average Scaled Score
  - The average scaled score of all students who took the MCAS
- Student Growth Percentile (SGP)
  - A measure of student growth; for an individual student, their percentile rank compared to other students statewide with similar score histories
  - At the school/district level, SGP is the average of all students’ SGPs

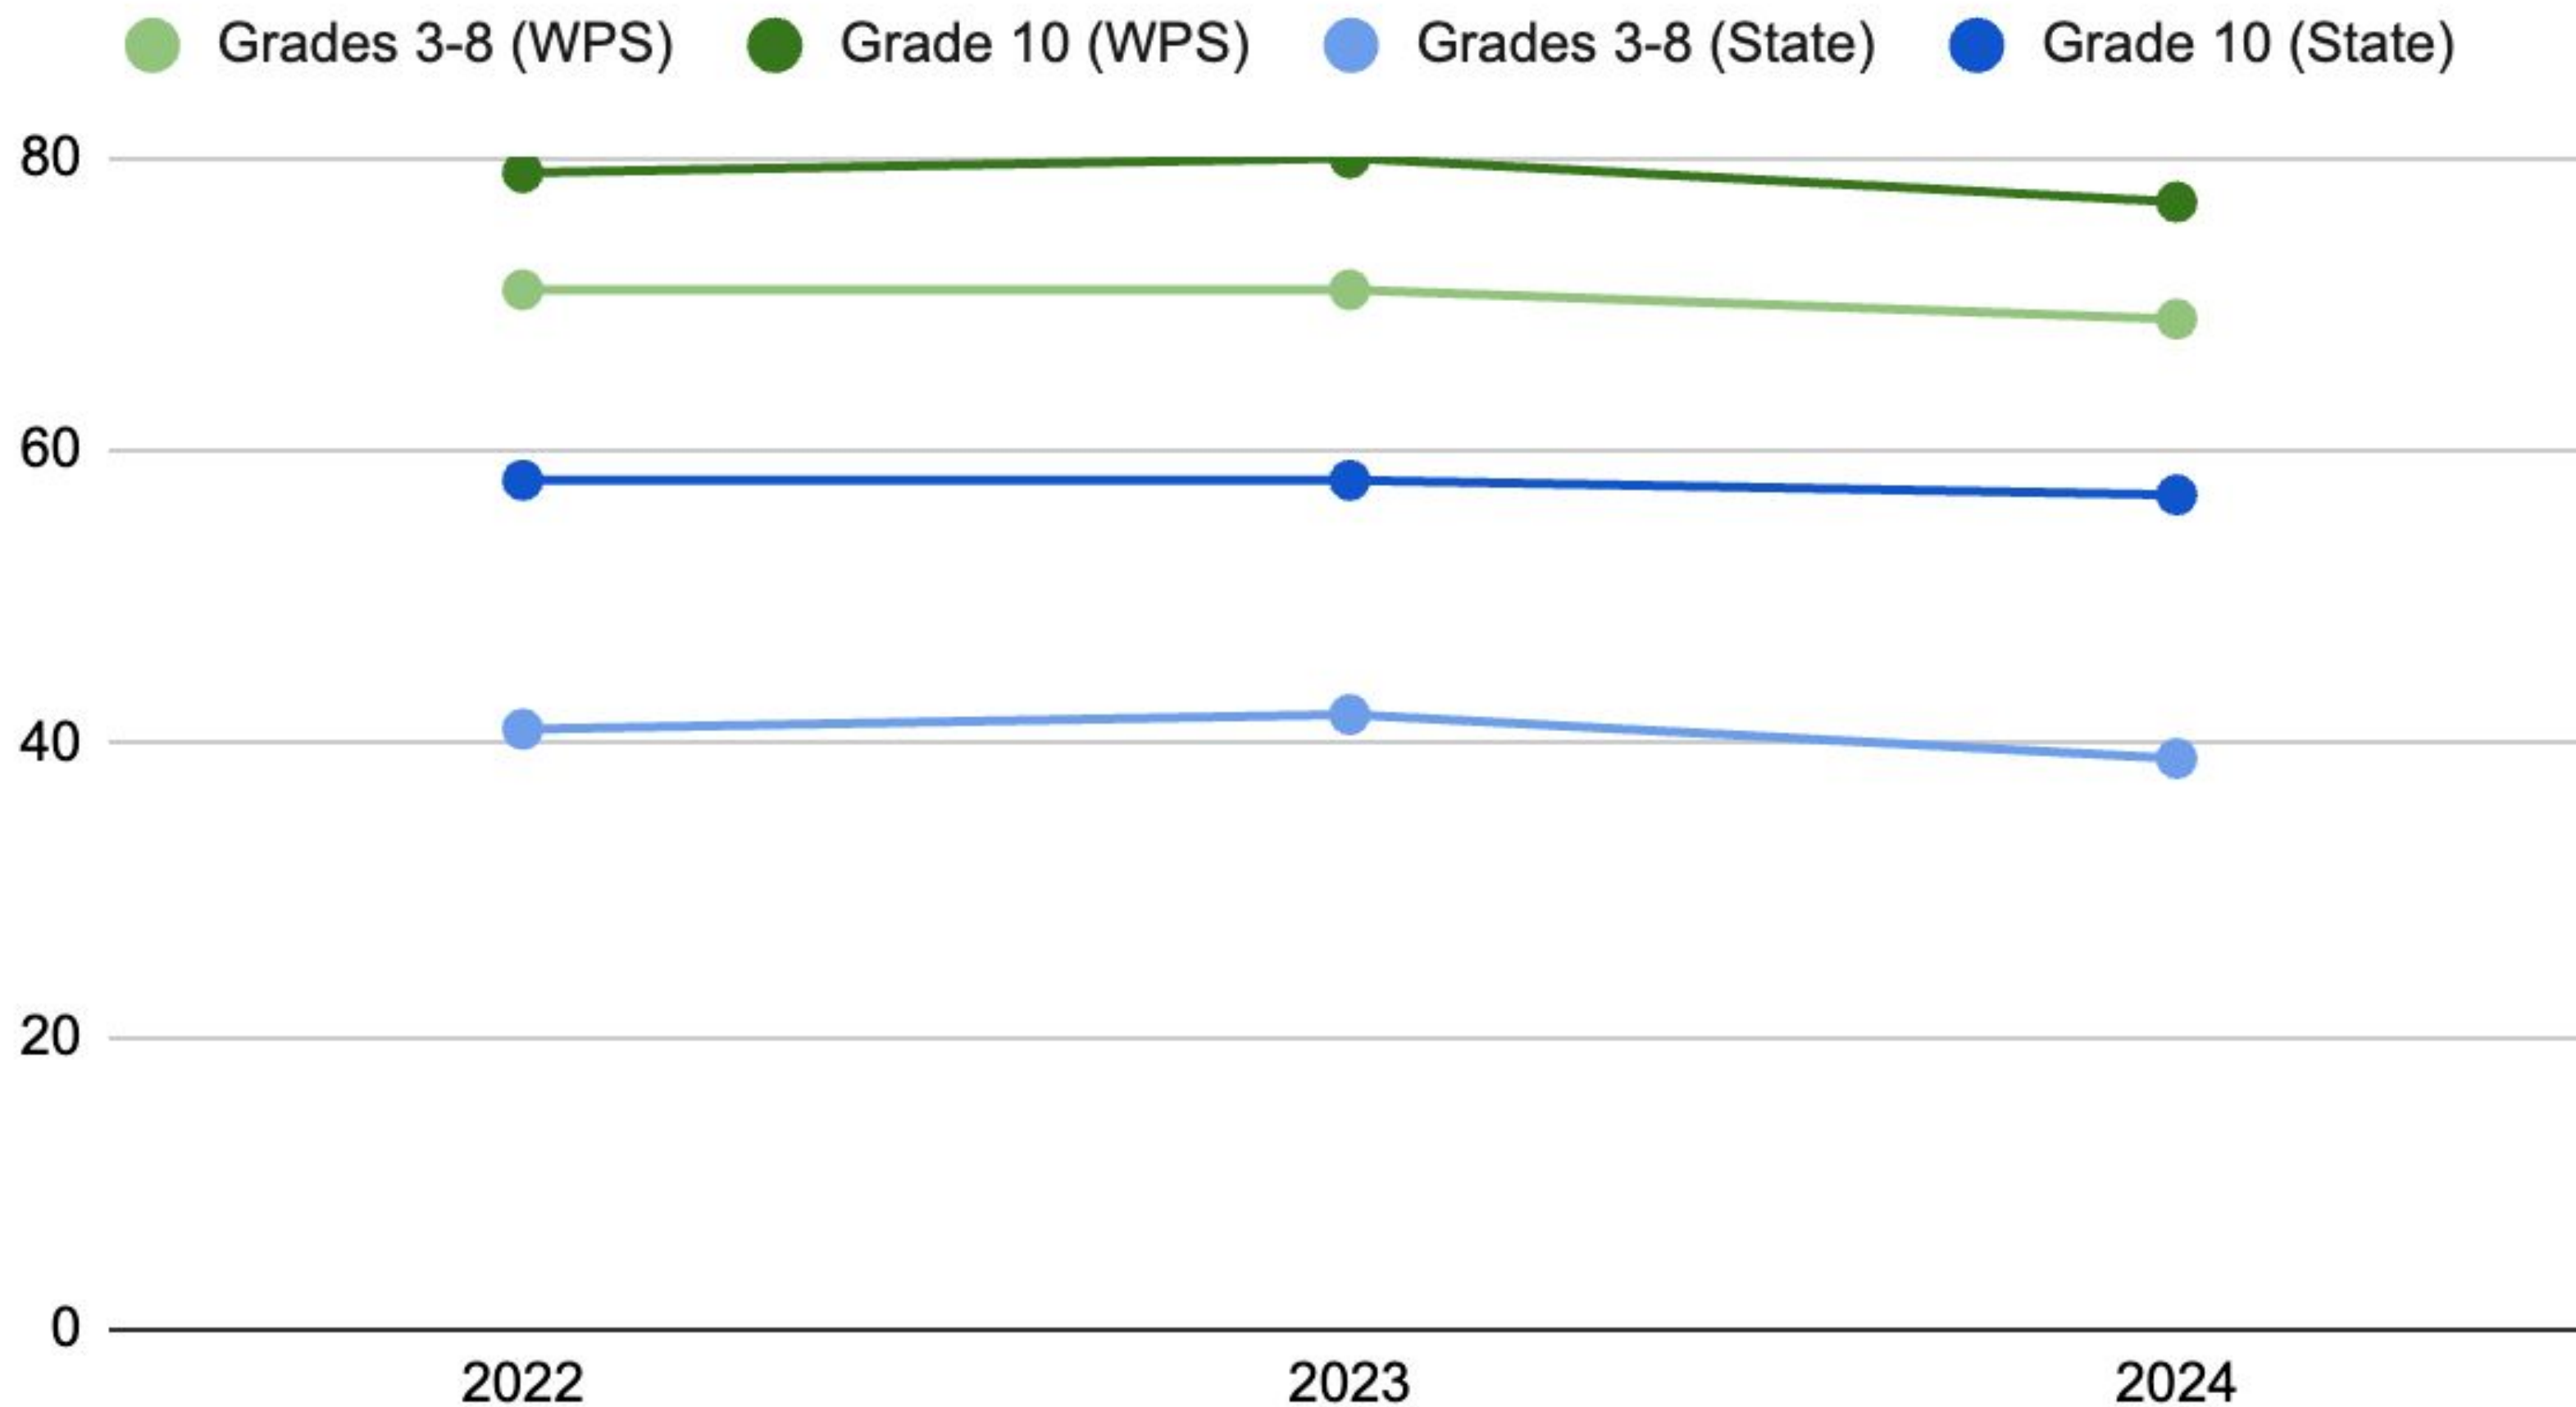

Districts Used for Comparison to Westwood Data		
The Education Collaborative (TEC) Districts	High-Performing Districts	DART Districts (selected by DESE)
Canton Dedham Dover-Sherborn Holliston Hopkinton Medfield Medway Millis Natick Needham Norwood Walpole Wayland	Acton-Boxborough Andover Belmont Concord-Carlisle Dover-Sherborn Hopkinton Lexington Lincoln Sudbury Needham Sharon Wayland Wellesley Weston Winchester	Hamilton-Wenham Hanover Hingham Longmeadow Marblehead Masconomet North Reading Pentucket Reading Scituate

ELA

# ELA Key Findings

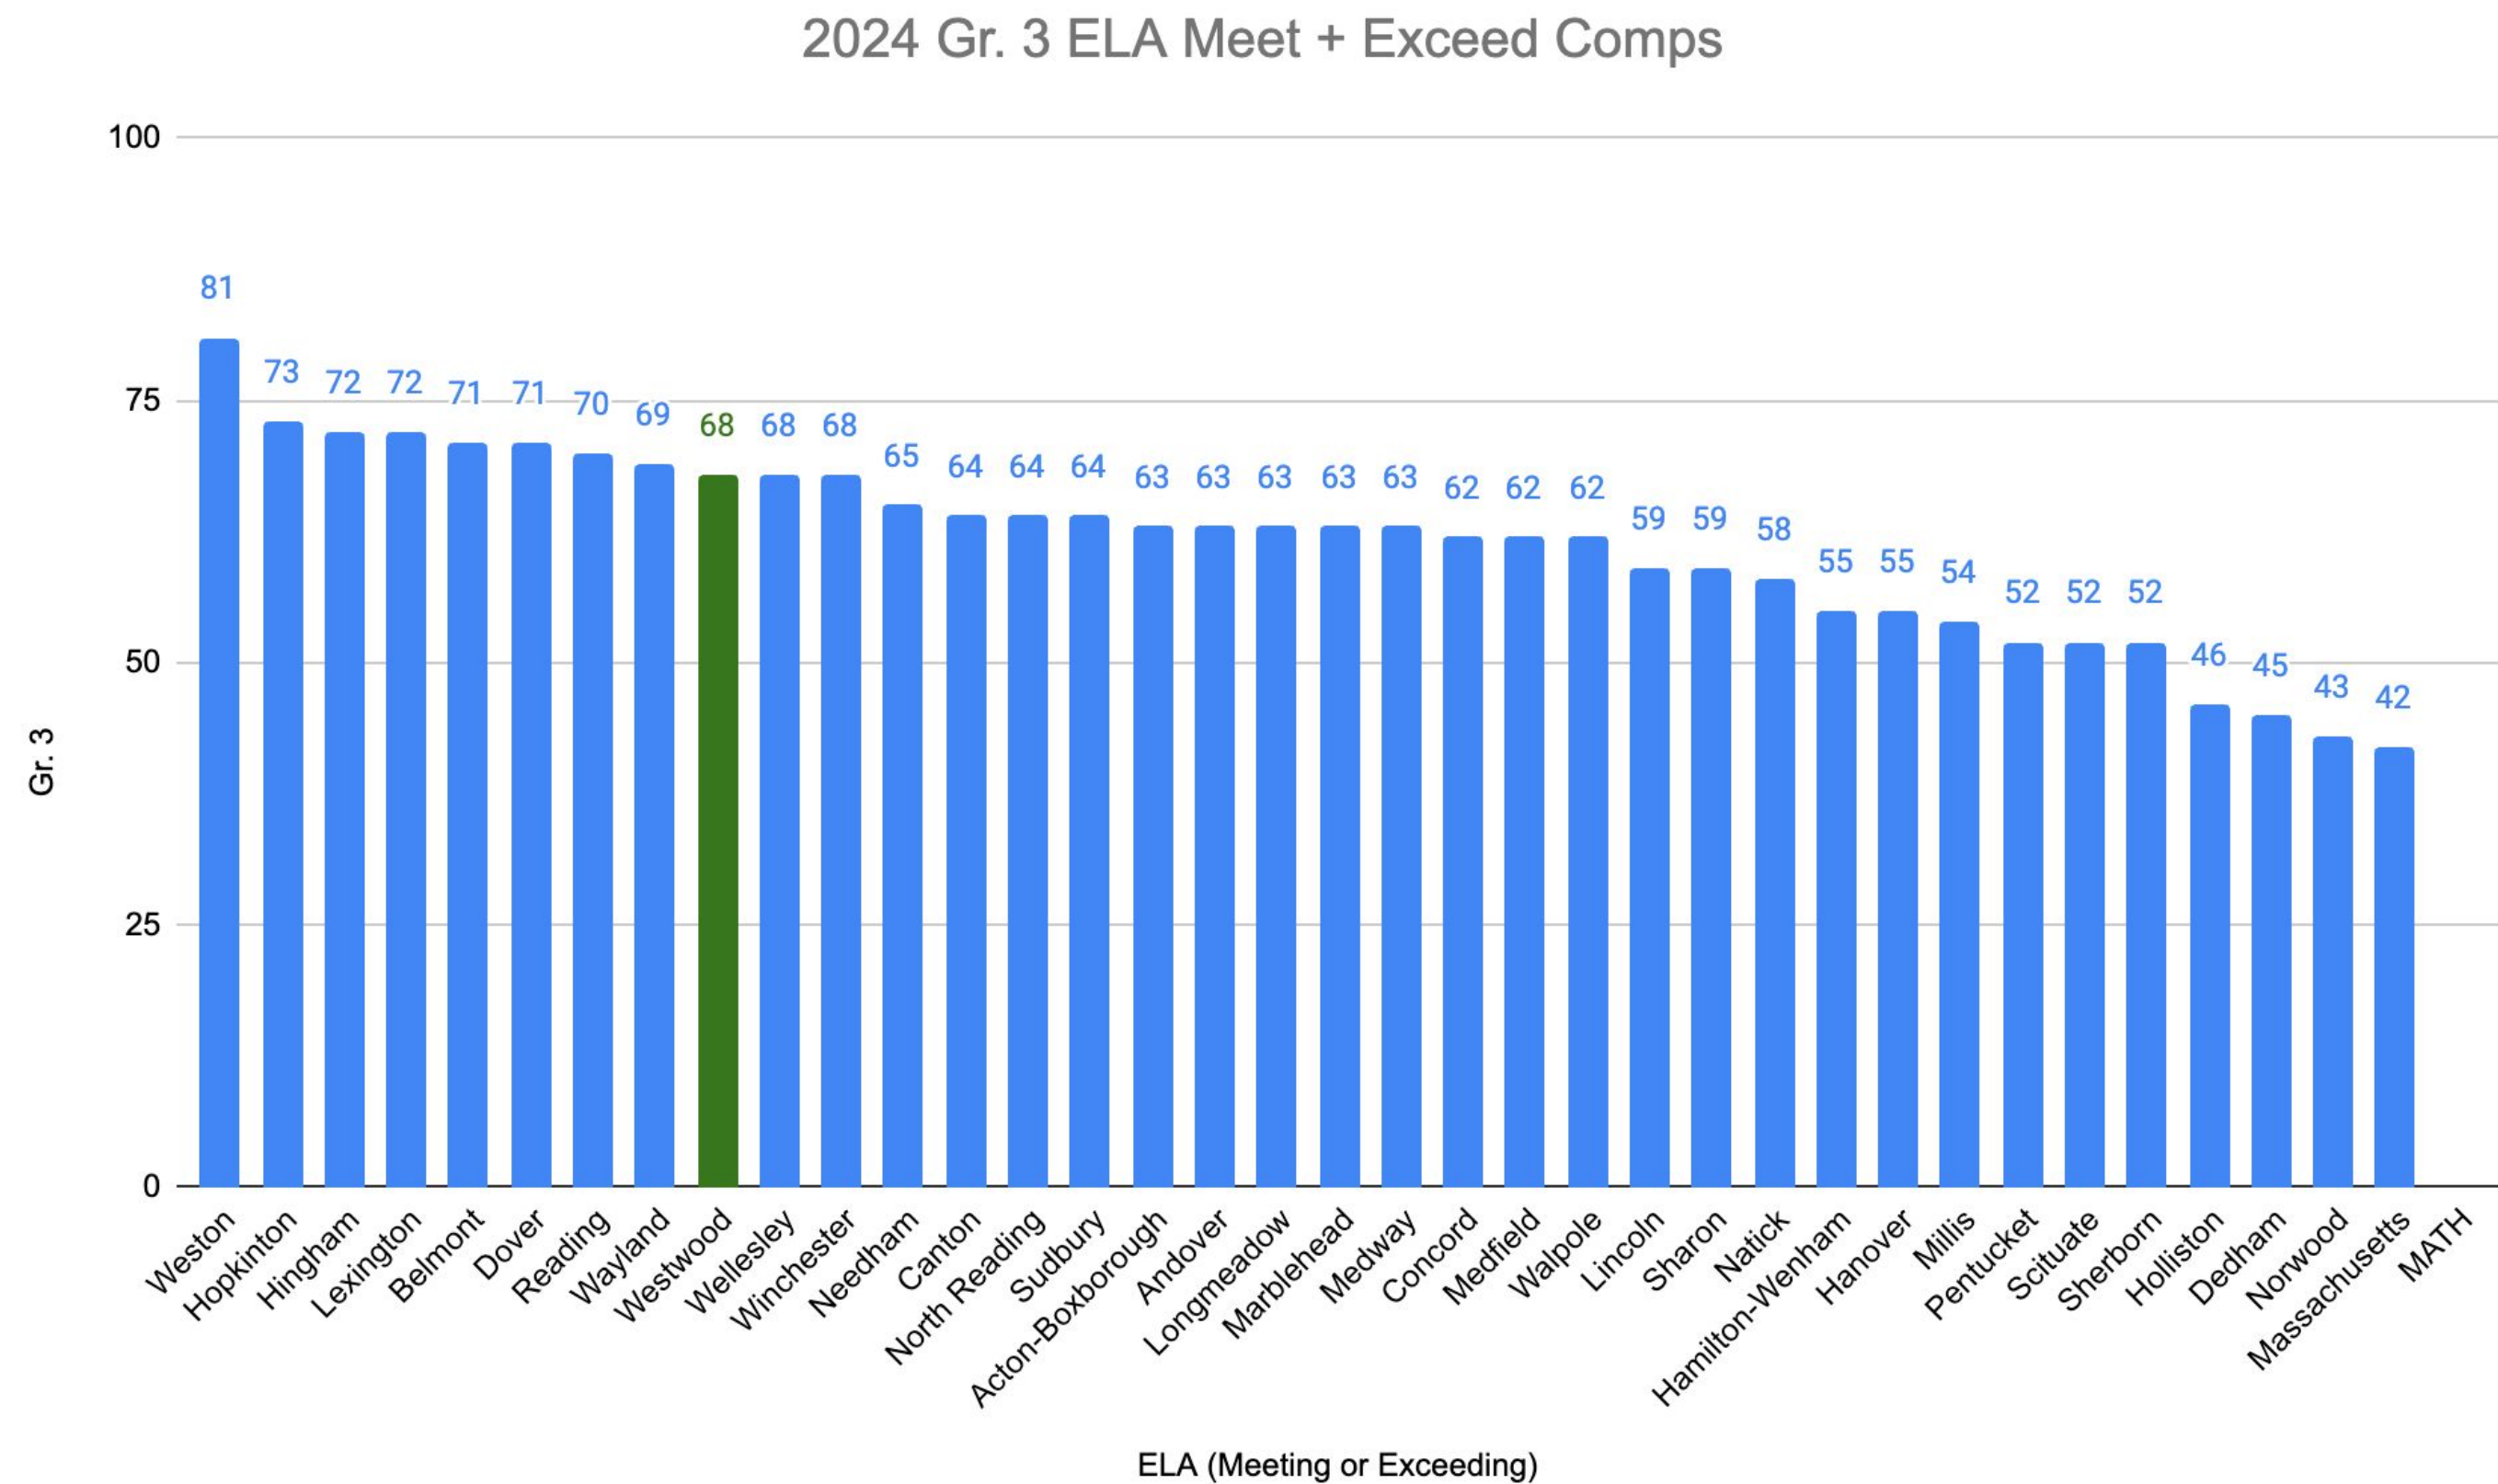

- Continuation of overall high performance, despite small declines in most grade levels from 2023 that mirror statewide performance
- SGPs in the typical to high range; Grade 5 demonstrating high growth with an average SGP of 61%
- Grade 10 achievement very strong, with 77% Meeting and Exceeding Expectations

# ELA Meeting & Exceeding Expectations Grades 3-8, 10

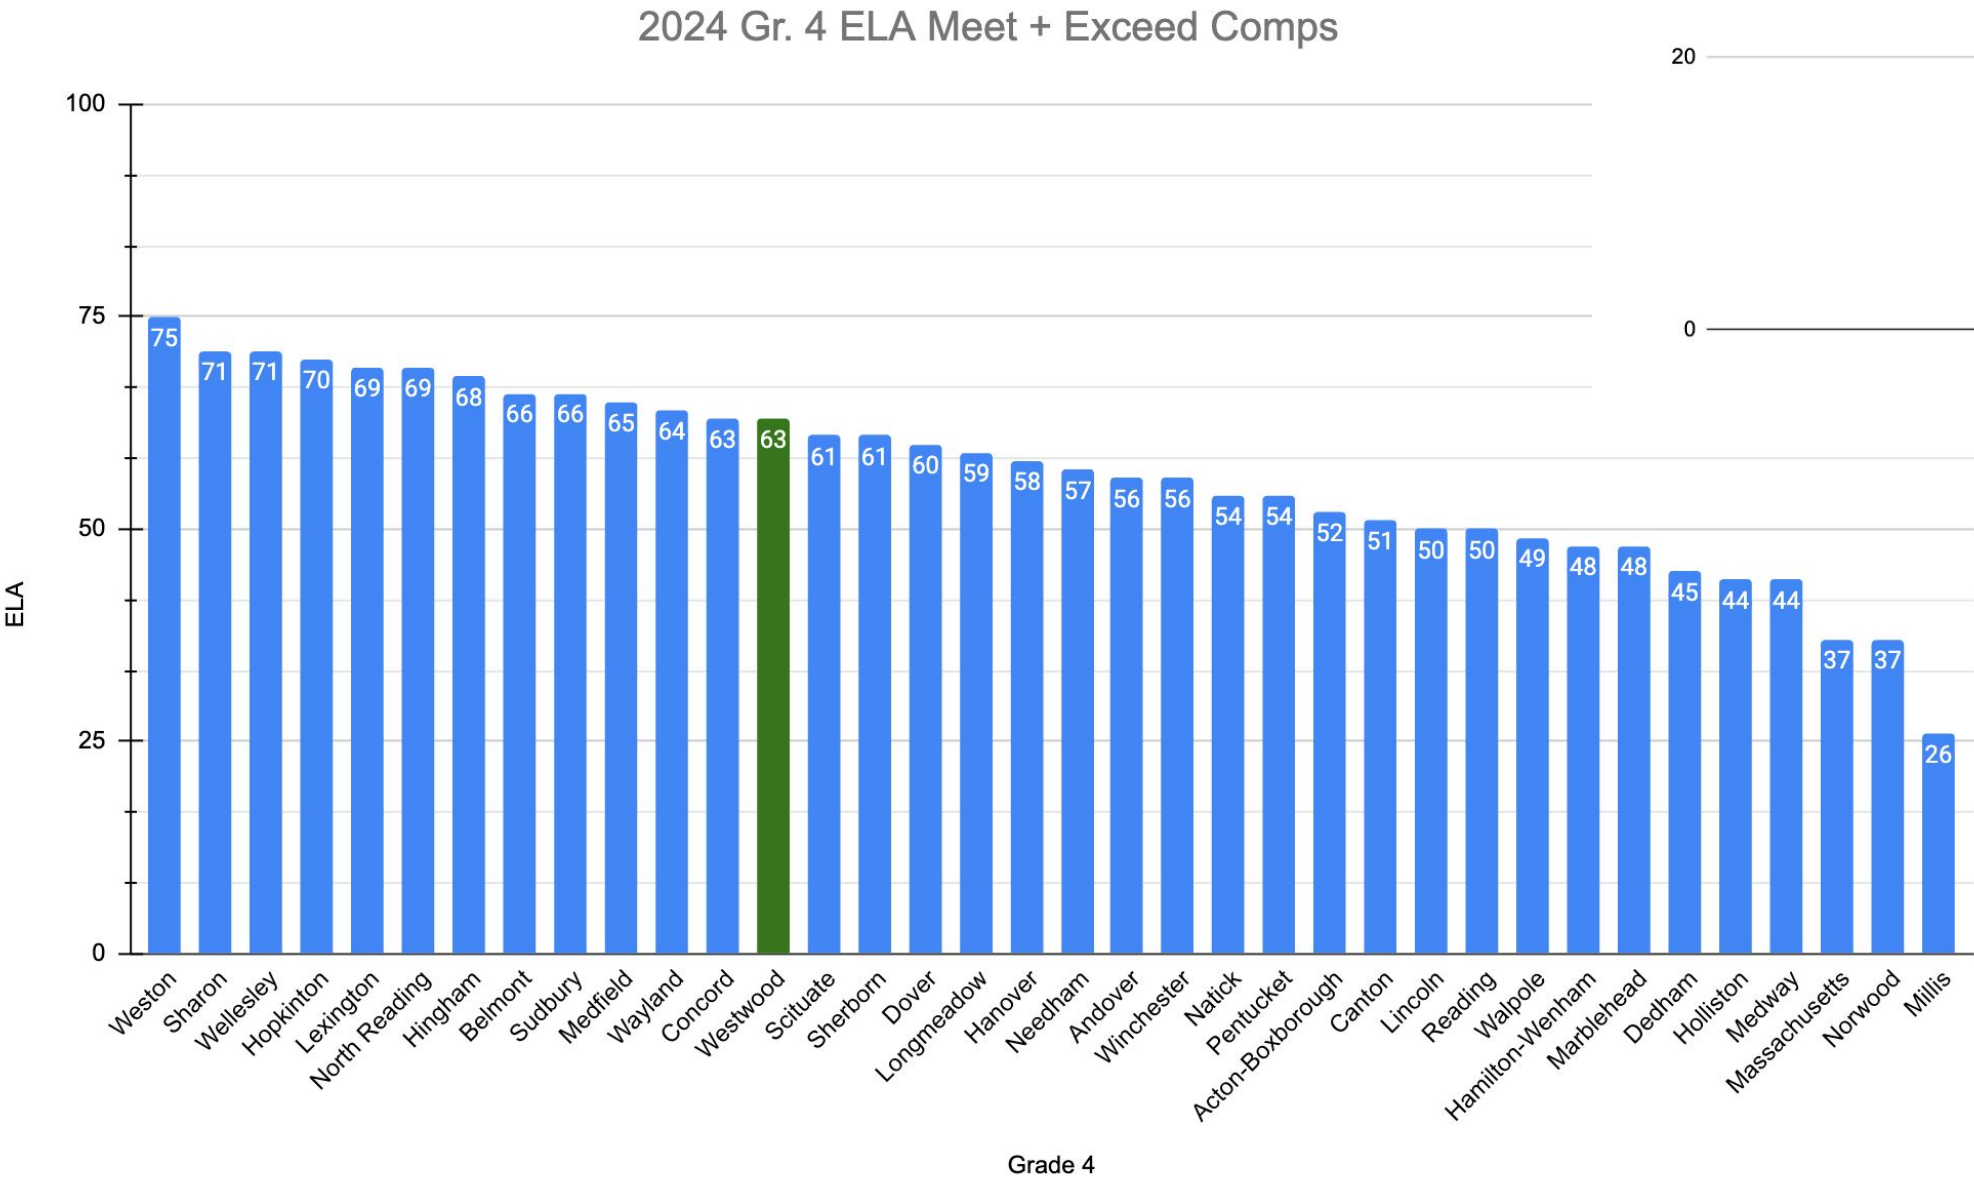

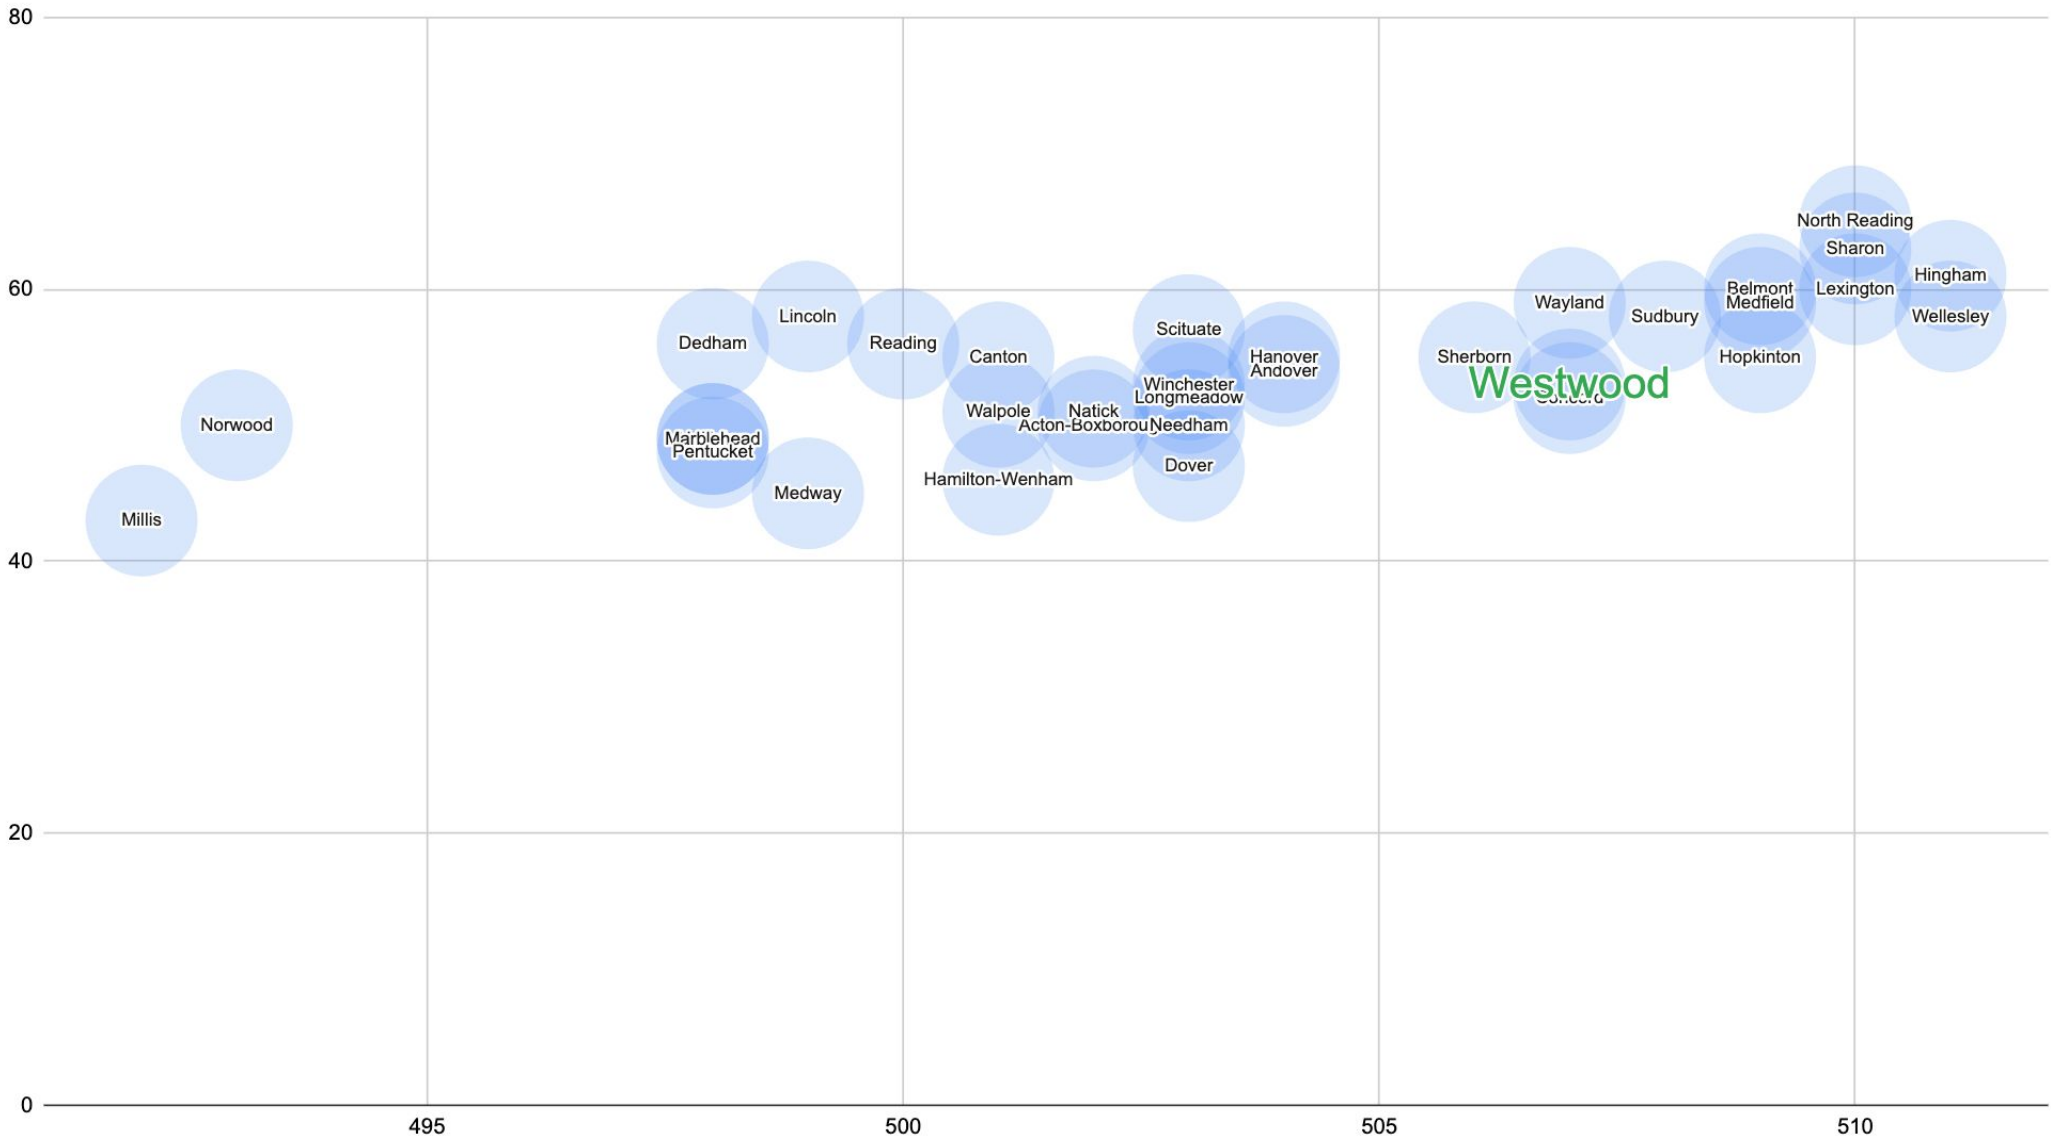

# Grade 3 ELA

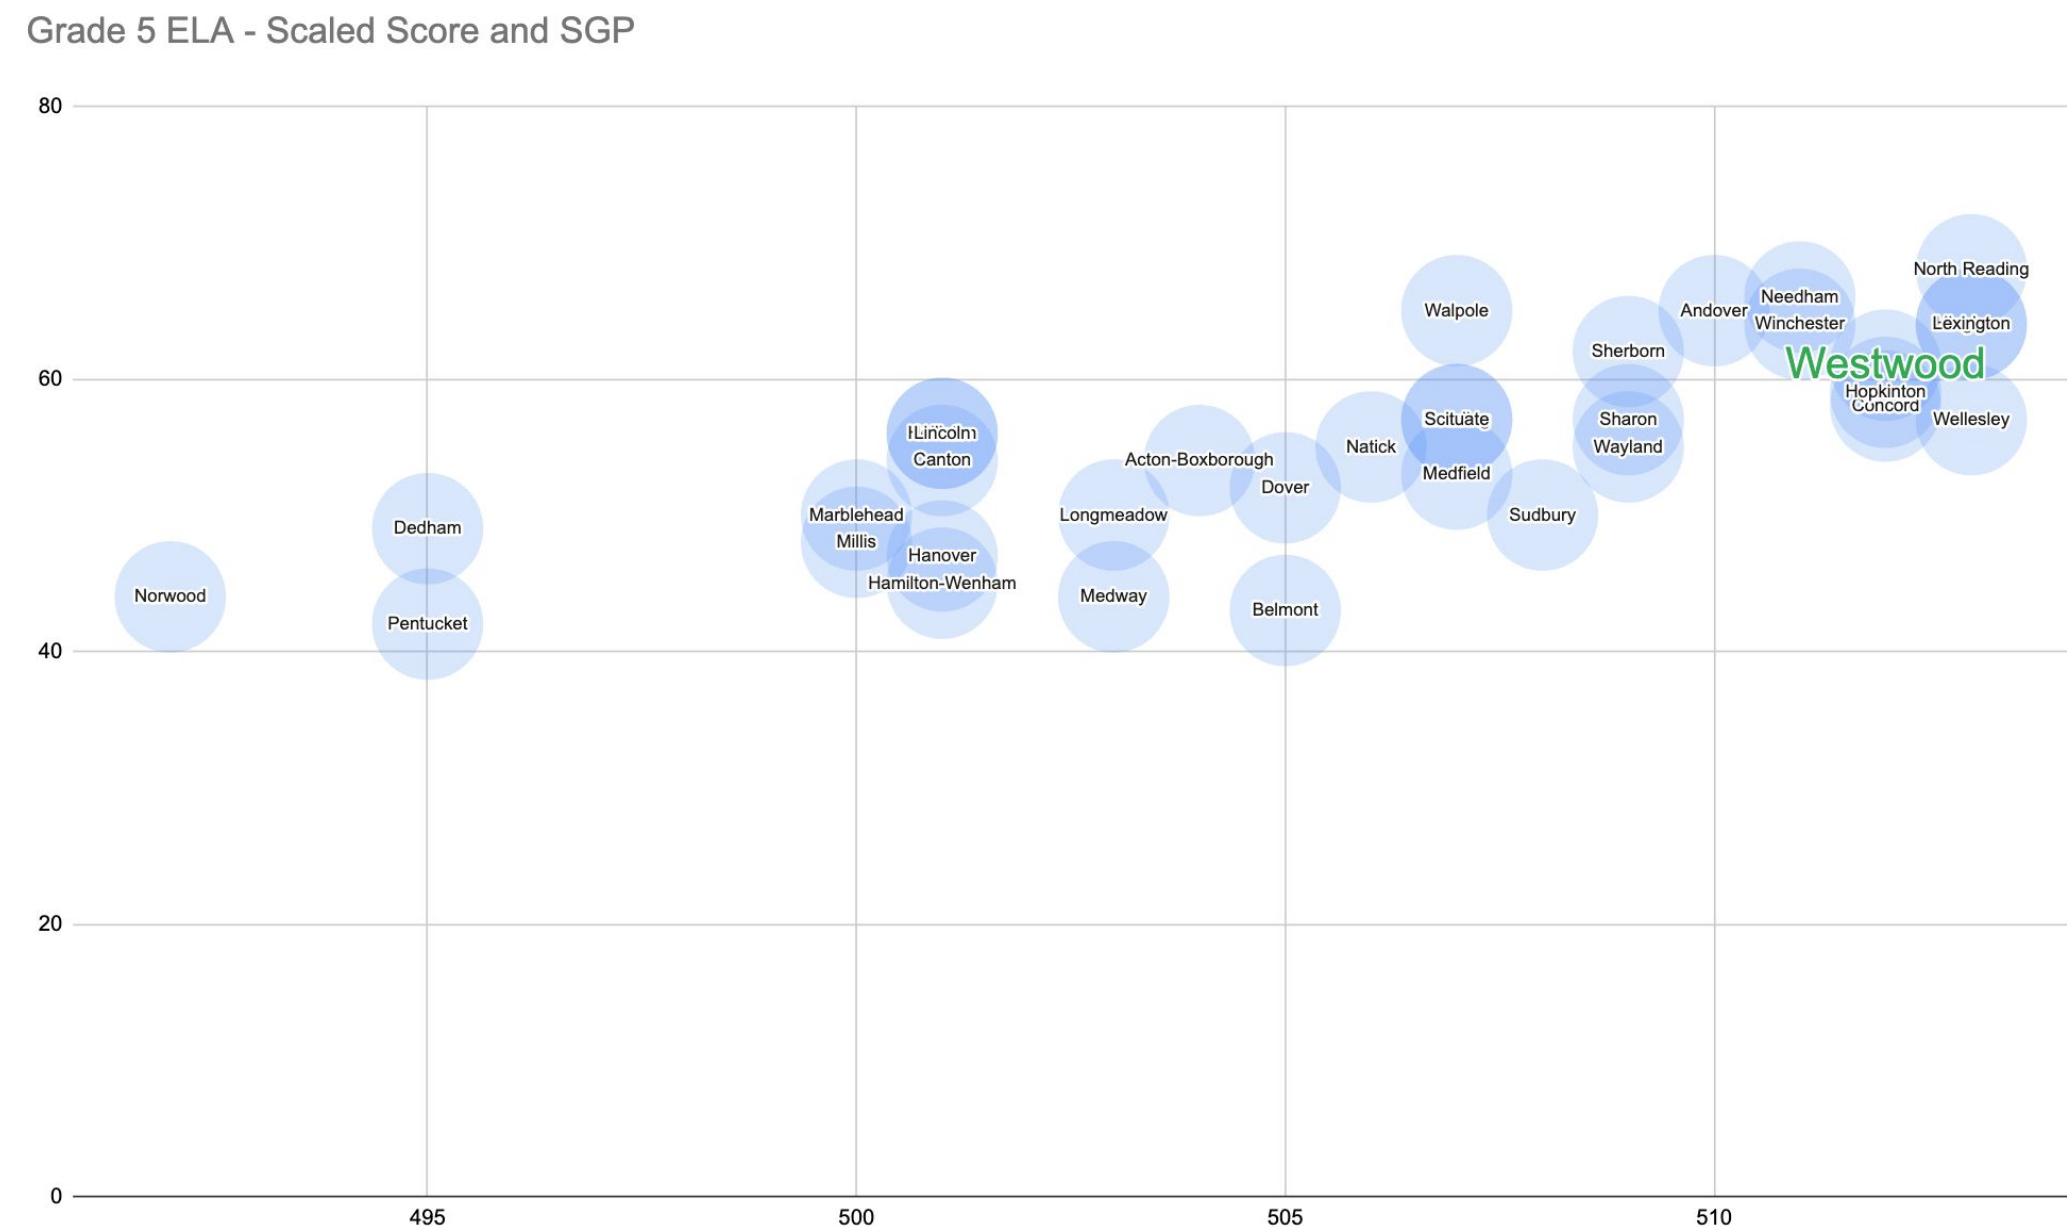

# Grade 4 ELA

Grade 4 ELA - Scaled Score and SGP

# Grade 5 ELA

# Grade 6 ELA

2024 Gr. 6 ELA Meet + Exceed Comps

Grade 6 ELA - Scaled Score and SGP

# Grade 7 ELA

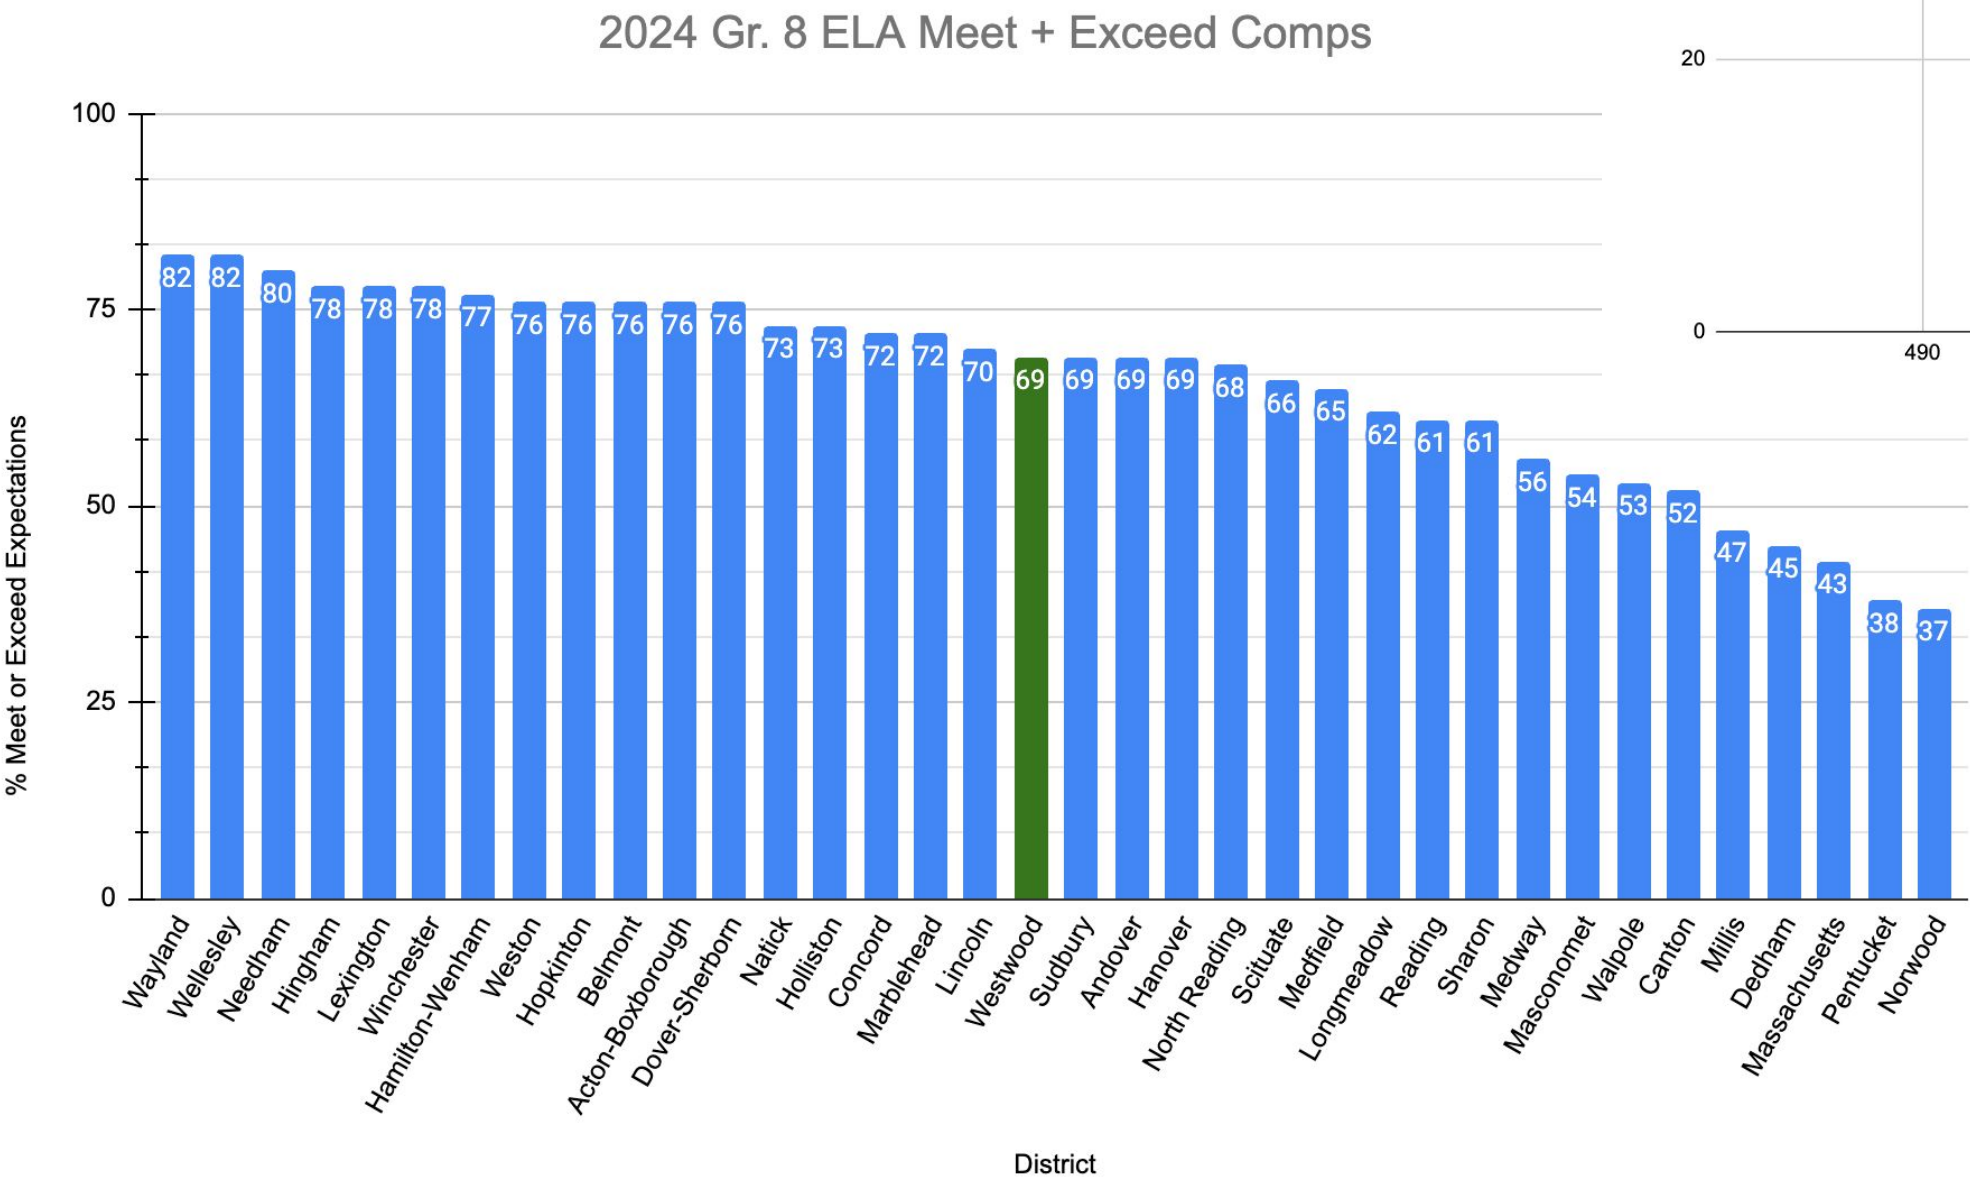

2024 Gr. 7 ELA Meet + Exceed Comps

Grade 7 ELA - Scaled Score and SGP

# Grade 8 ELA

Grade 8 ELA - Scaled Score and SGP

# Grade 10 ELA

2024 Gr. 10 ELA Meet + Exceed Comps

Grade 10 ELA - Scaled Score and SGP

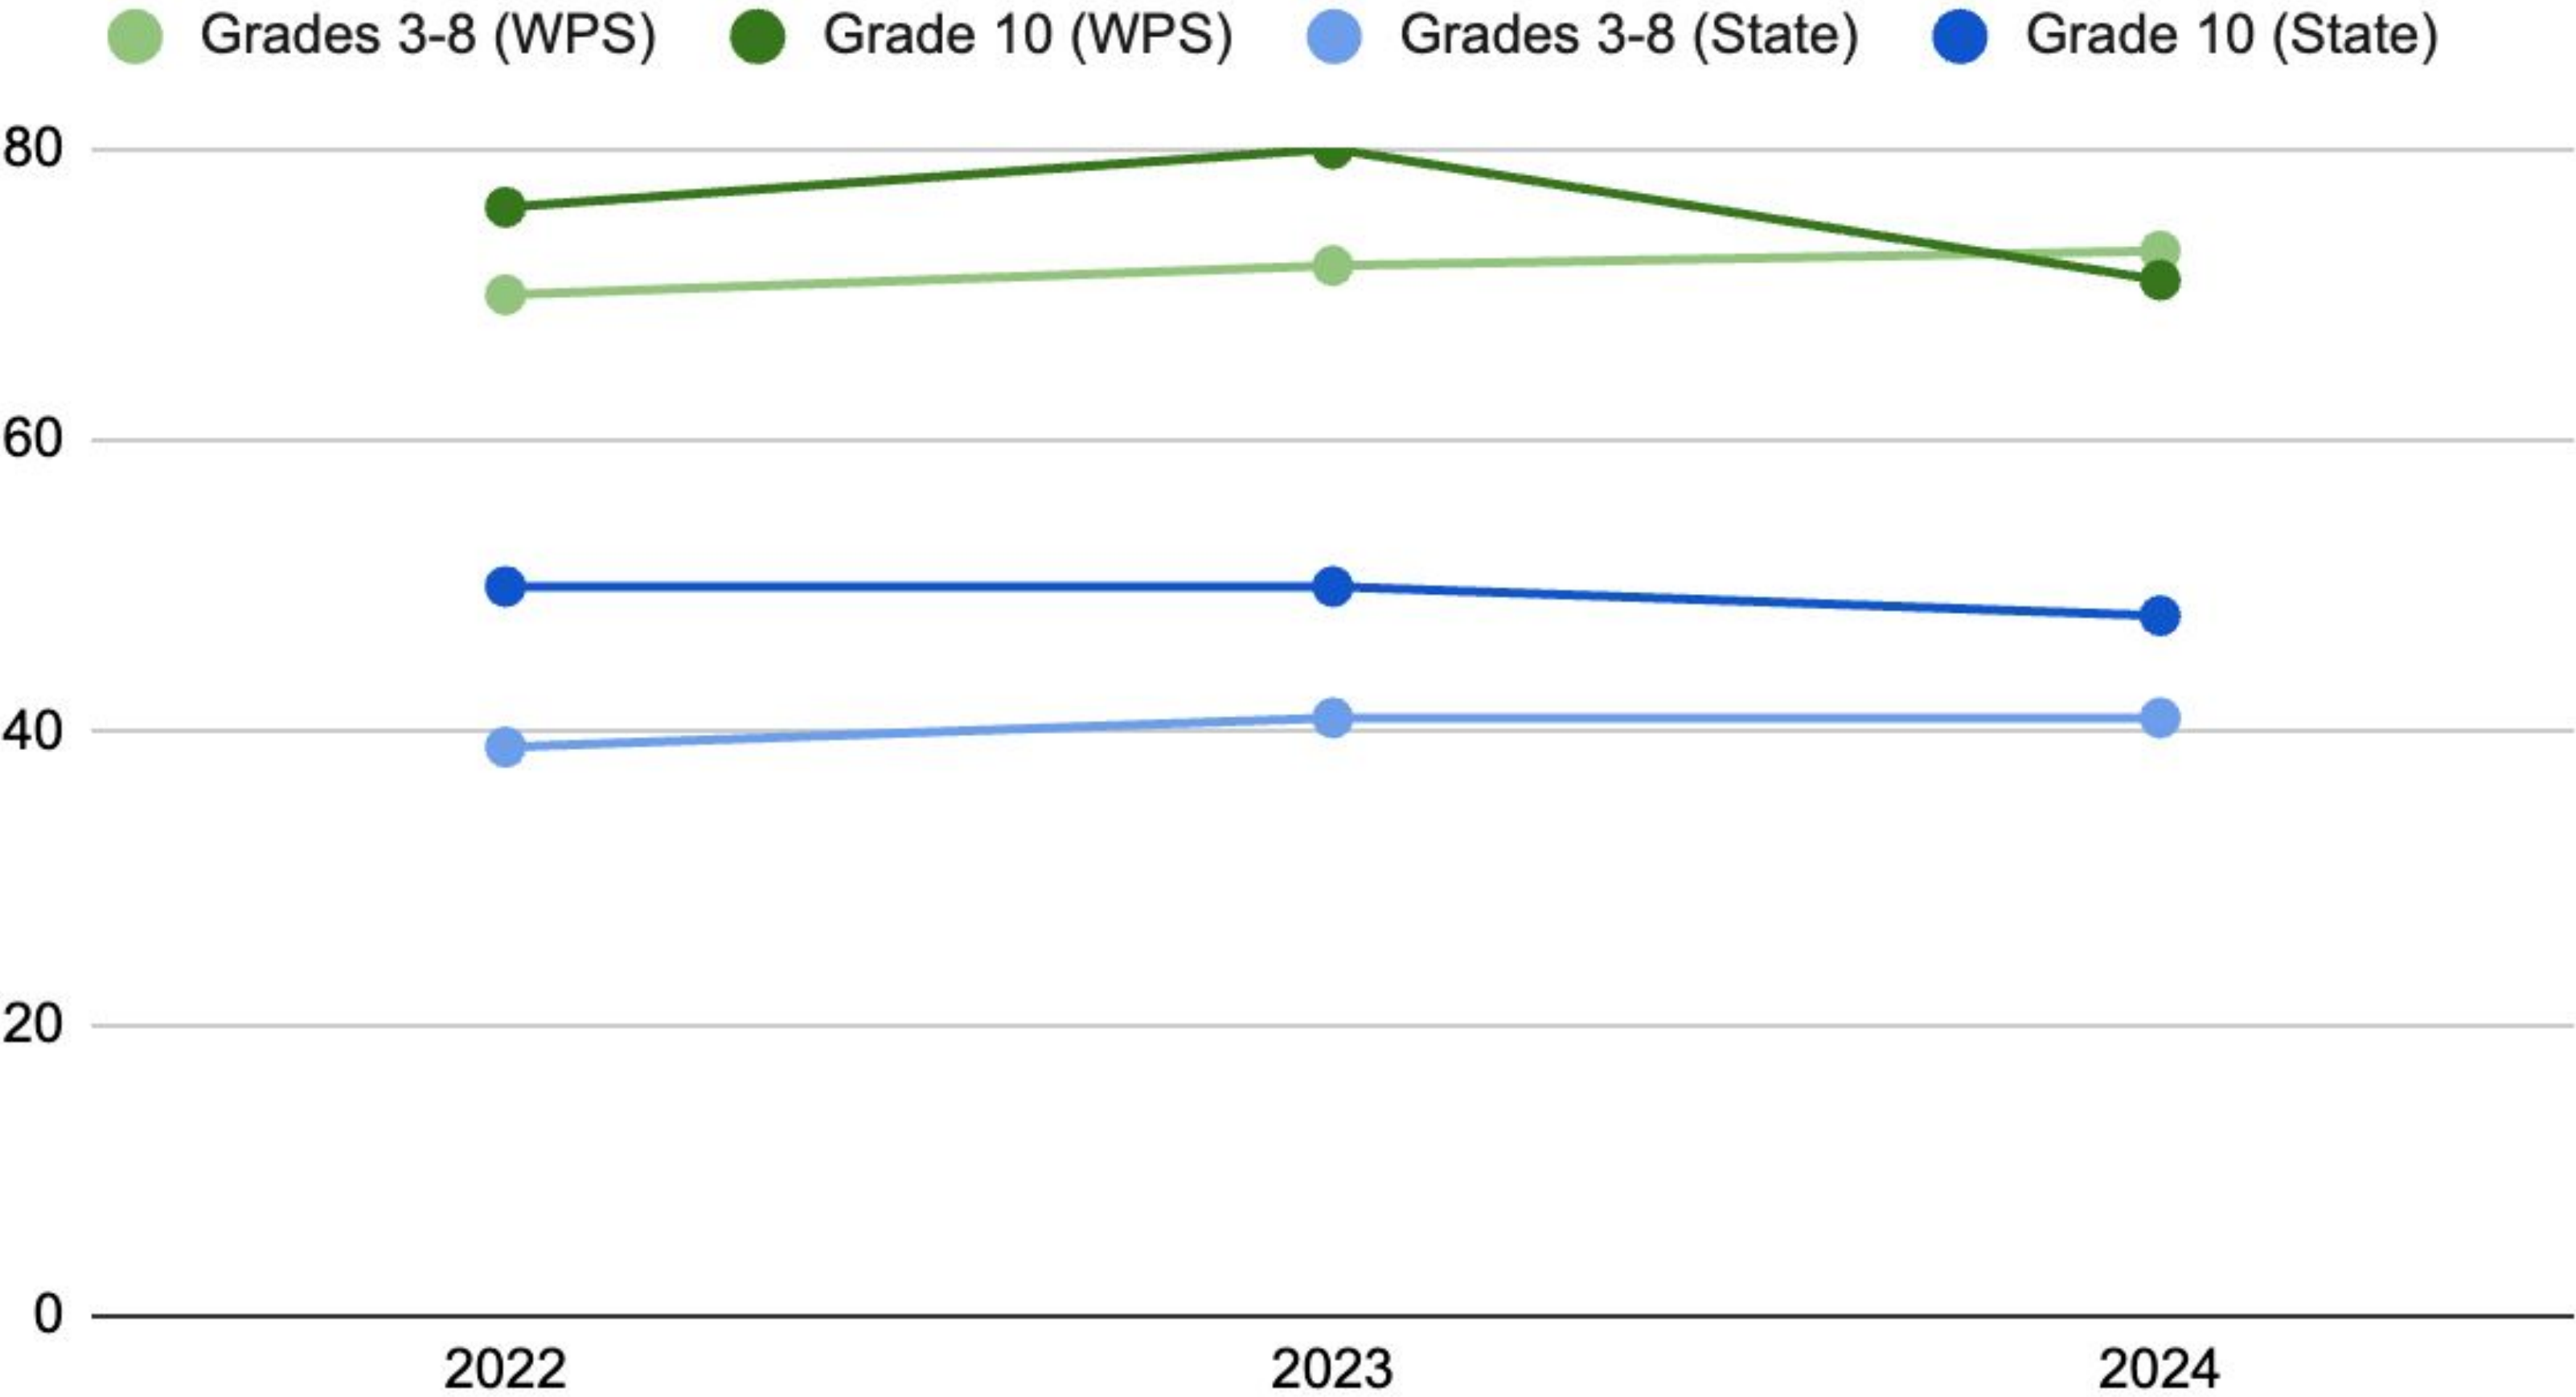

# Math

# Math Key Findings

- Significant gains in Grade 3, from 69% M&E to 77%
- Improvement from 2023 in Grades 4, 7, 8, with Grades 3, 4 and 5 demonstrating very high achievement (77%, 75%, 76% M&E, respectively)
- Strong Student Growth Percentiles, in the high-typical to high growth range; Grade 5 again demonstrating high growth at 65%

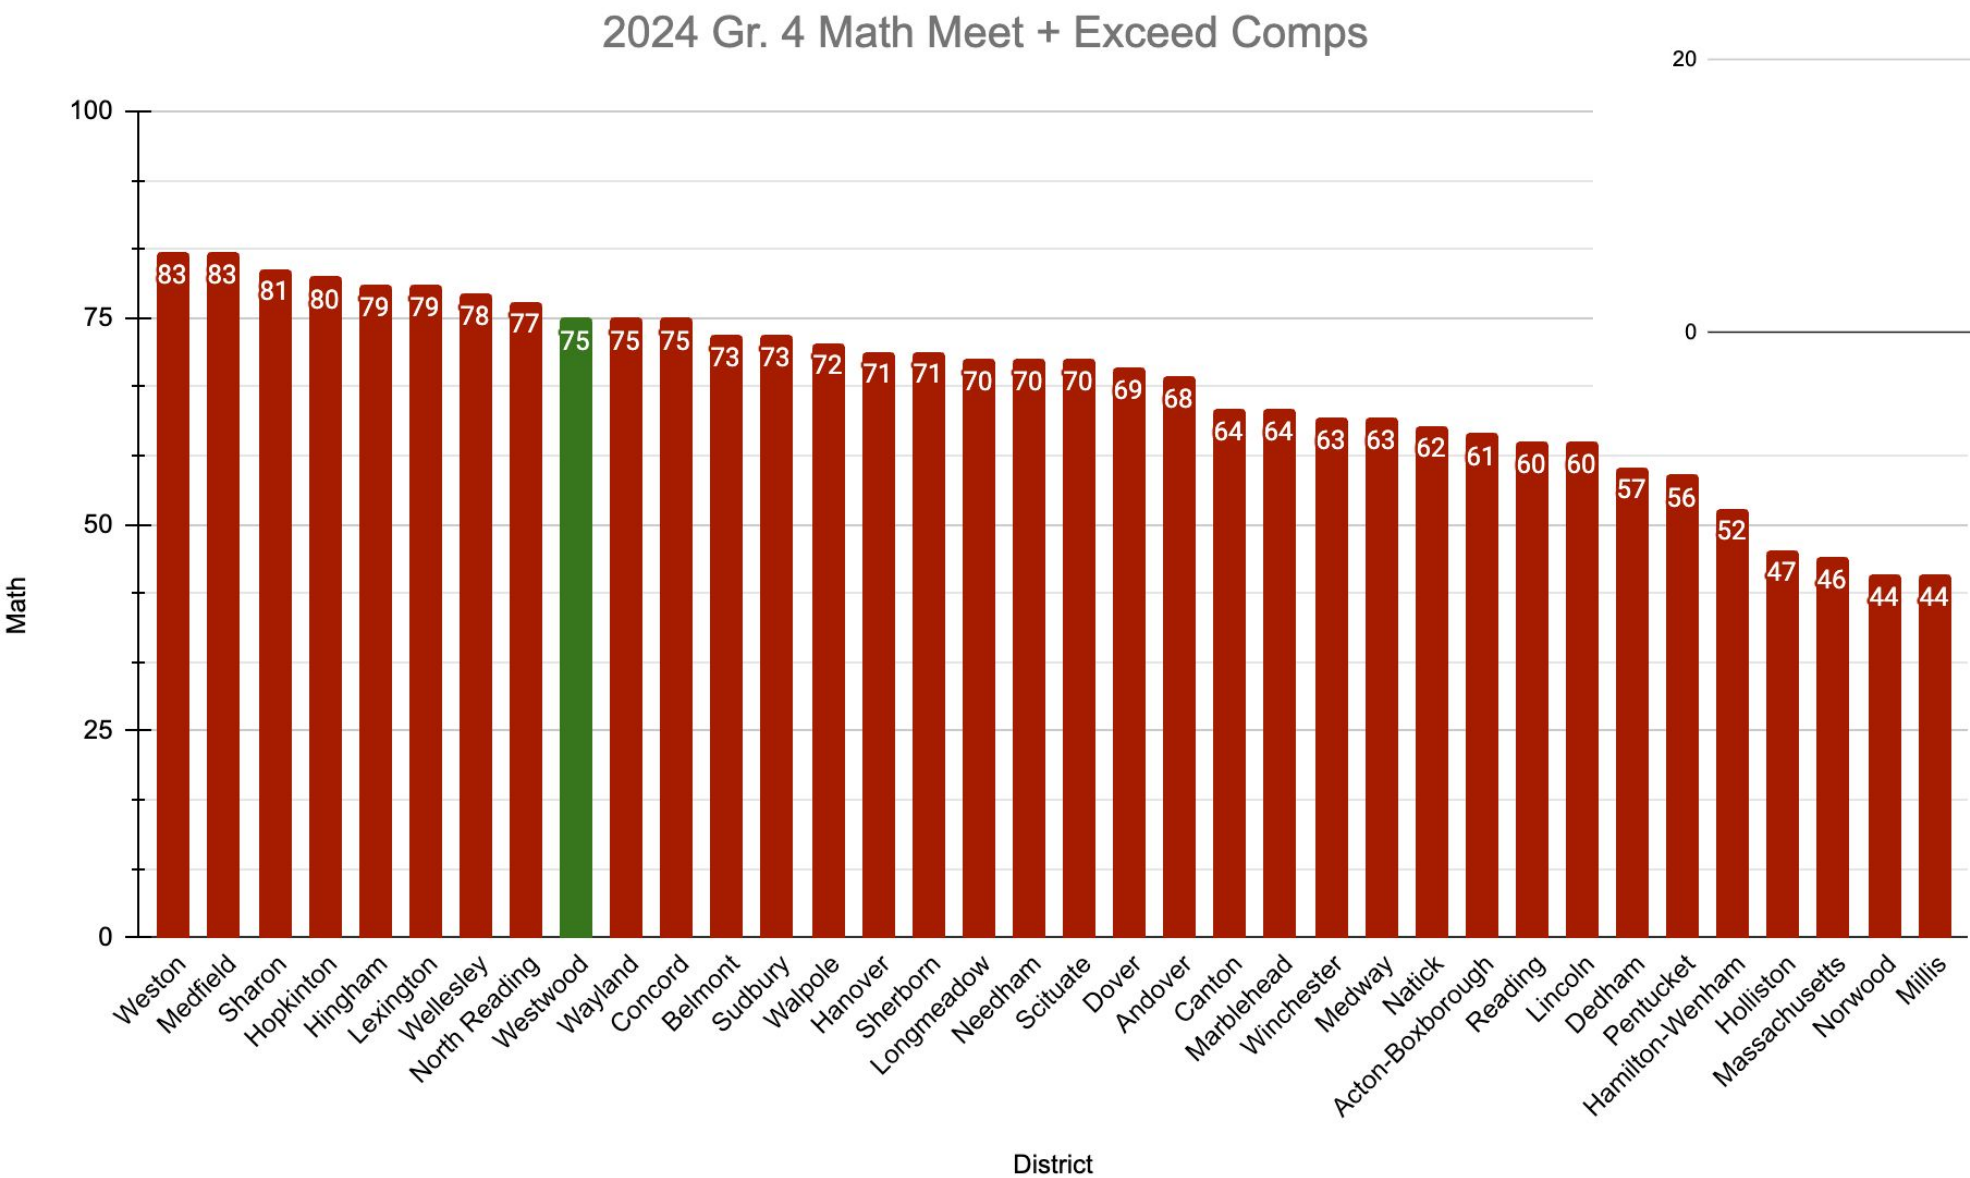

# Math Meeting and Exceeding Expectations, Grades 3-8, 10

# Grade 3 Math

# Grade 4 Math

Grade 4 Math - Scaled Score and SGP

# Grade 5 Math

2024 Gr. 5 Math Meet + Exceed Comps

Grade 5 Math - Scaled Score and SGP

# Grade 6 Math

2024 Gr. 6 Math Meet + Exceed Comps

Grade 6 Math - Scaled Score and SGP

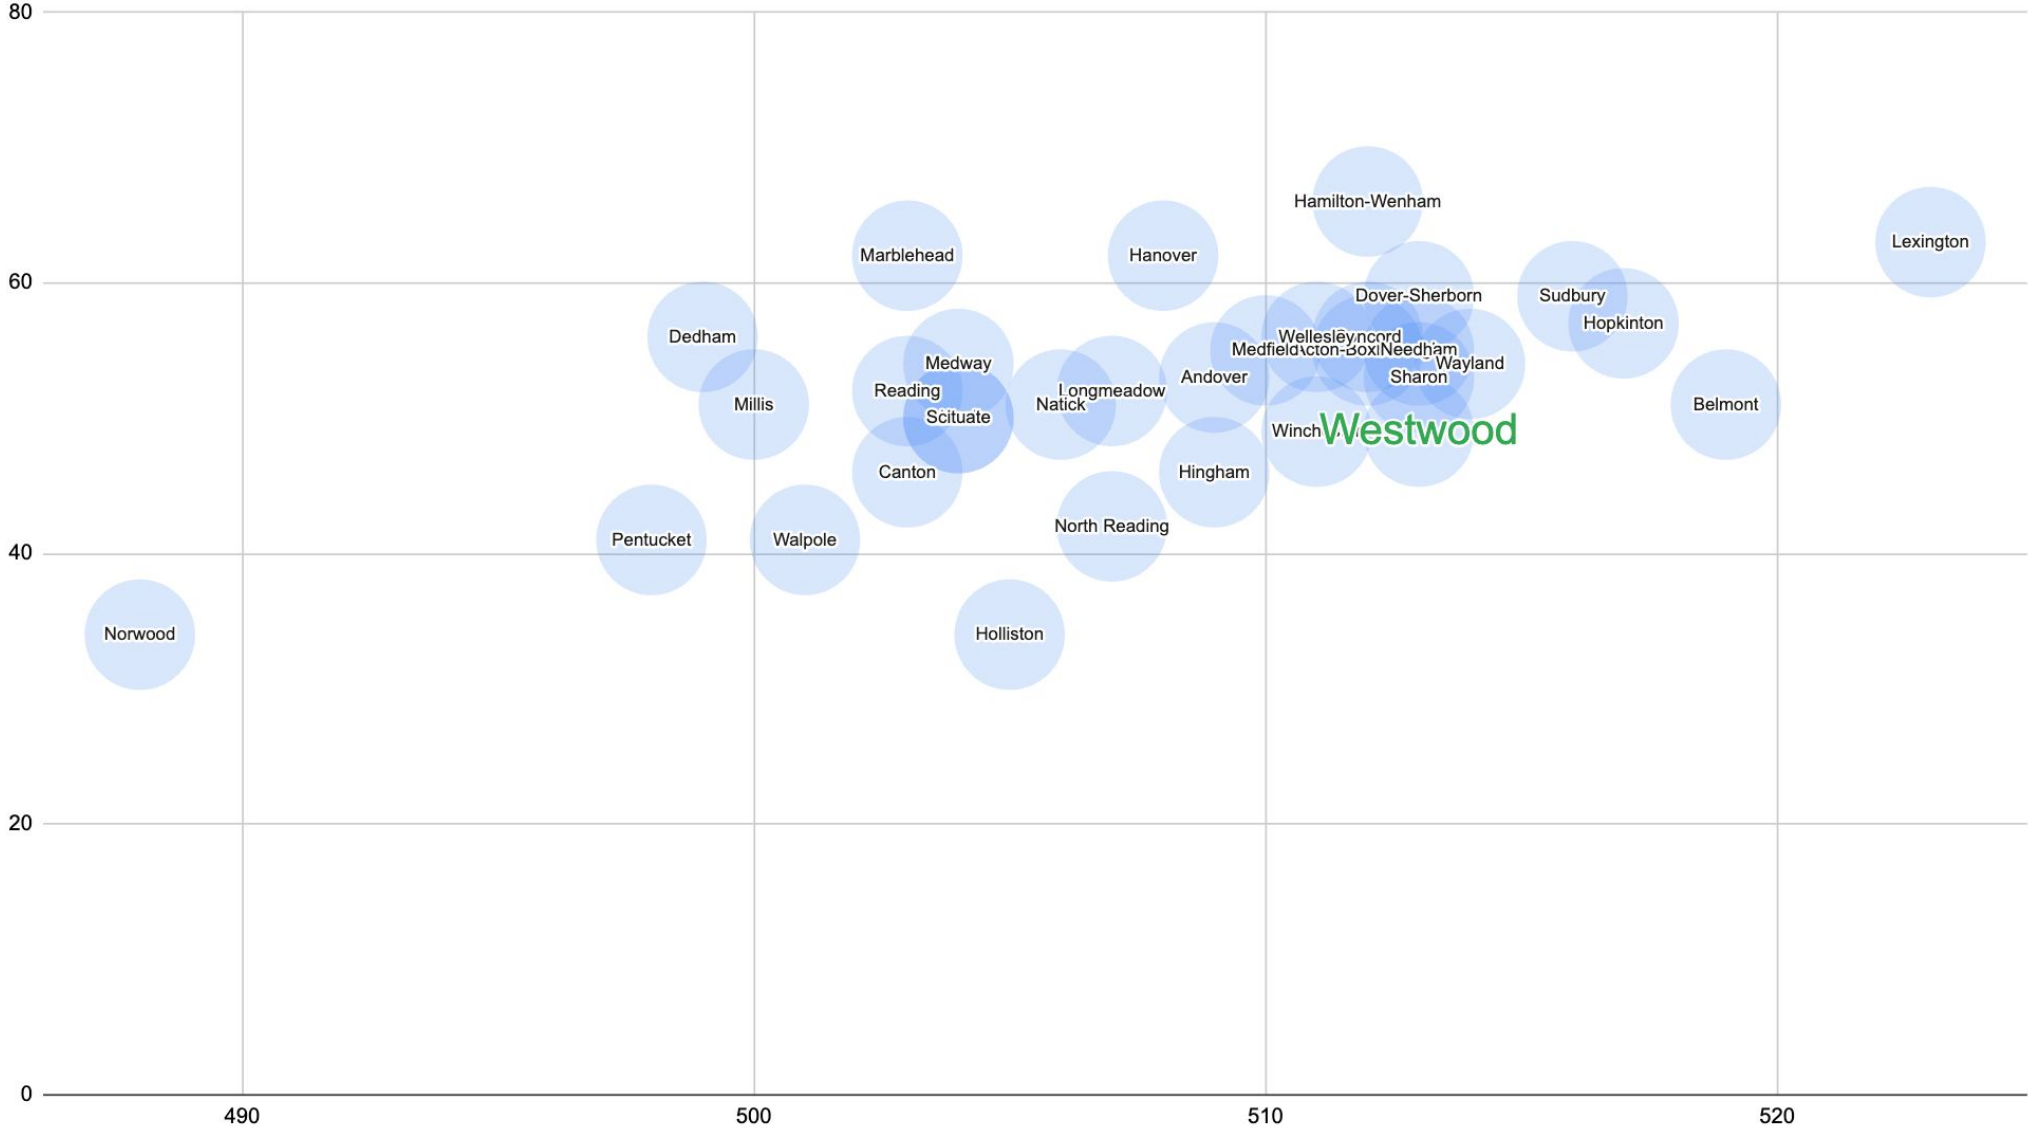

# Grade 7 Math

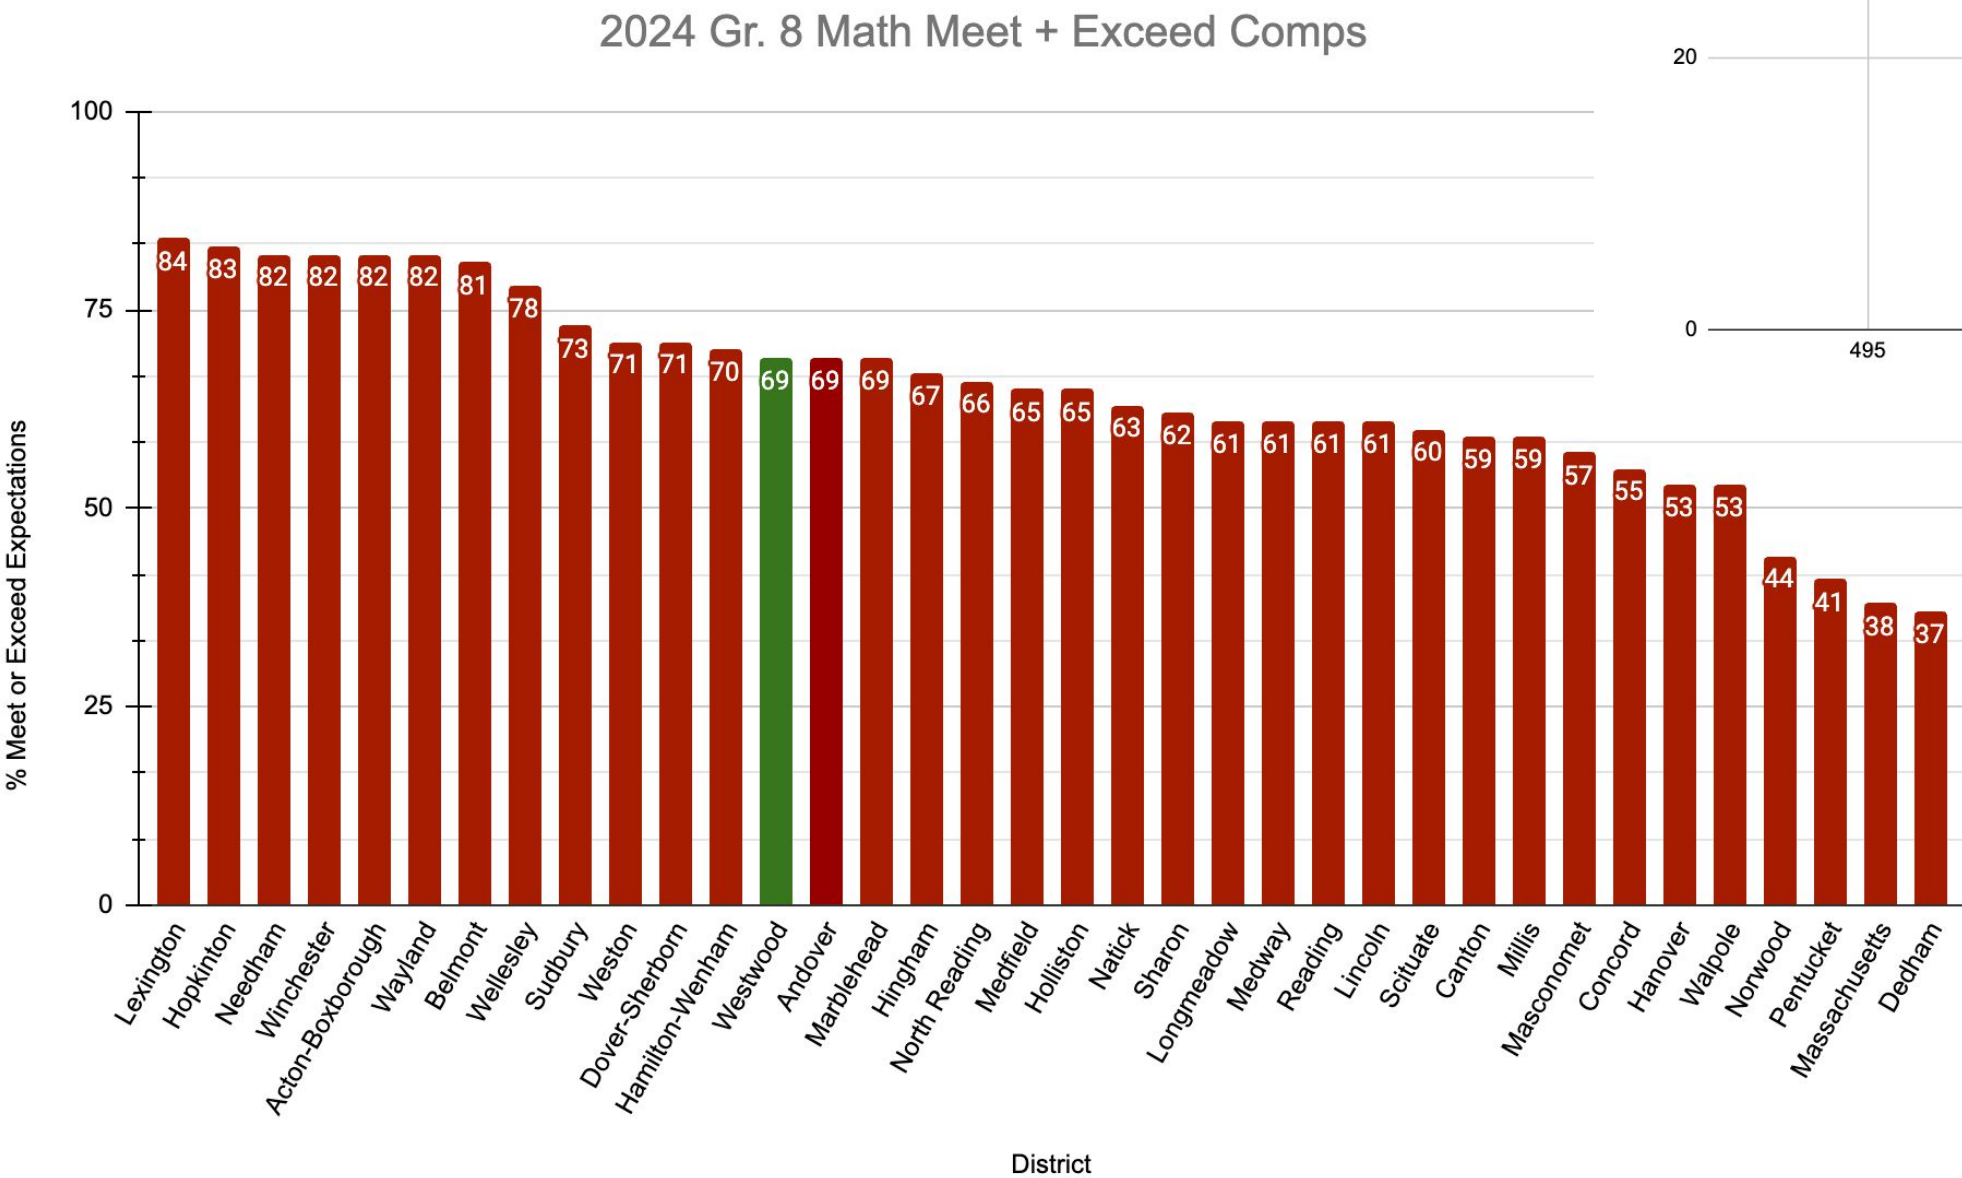

2024 Gr. 7 Math Meet + Exceed Comps

Grade 7 Math - Scaled Score and SGP

# Grade 8 Math

Grade 8 Math - Scaled Score and SGP

# Grade 10 Math

2024 Gr. 10 Math Meet + Exceed Comps

Grade 10 Math - Scaled Score and SGP

Science

# Science Key Findings

- Grades 5 and 10 demonstrating very high achievement, with 76% of students M&E in each grade
- Decline in Grade 8 from previous years
- Performance in comparison to like/nearby districts remains competitive

# Science Meeting & Exceeding Expectations, Grades 5, 8, 10

## 2024 Gr. 5 STE Meet + Exceed Comps

2024 Gr. 8 STE Meet + Exceed Comps

2024 HS Science Meet + Exceed Comps

# Disaggregating Data

# Disaggregated Data Key Findings

- Achievement gaps persist over time, similar to gaps seen across the state
- High Needs subgroup, including low income, students with disabilities, and English language learners, performs significantly lower than the aggregate
- Strong SGP for Grade 10 High Needs subgroup in Math, surpassing the Grade 10 aggregate SGP

# English Language Arts

	% Meet/ Exceed	Avg Scaled Score	Avg SGP
Grades 3-8 All	69	511	52
Grades 3-8 High Needs	37	494	49
Grade 10 All	76	519	51
Grade 10 High Needs	35	494	43

# Math

	% Meet/ Exceed	Avg Scaled Score	Avg SGP
Grades 3-8 All	72	513	52
Grades 3-8 High Needs	43	497	49
Grade 10 All	71	517	57
Grade 10 High Needs	27	493	59

# Science

	% Meet/ Exceed	Avg Scaled Score	Avg SGP
Grades 5,8 All	72	512	N/A
Grades 5, 8 High Needs	46	499	N/A
Grade 10 All	75	515	N/A
Grade 10 High Needs	23	488	N/A

# Next Steps

- Department and Building leaders conduct standard and item analyses of MCAS assessments
- Triangulate with other data points - report cards, Star, attendance, Curriculum Review findings, etc.
- Determine next steps for curriculum and instruction:
  - If we see positive/intended outcomes - stay the course, sustain progress, and scale up
  - If we see positive signs but not there yet - stay the course, focus on quality of implementation
  - If our data is not matching our goals - investigate further, develop plan of action

# Discussion
