---

We have been approached in order to establish the Michael J. Frucci Athletic Scholarship. Angelica from Heritage House will be the contact for this award.

The Michael J. Frucci Athletic Scholarship is an endowment gifting \$1,500 each year to a senior graduating athlete who has demonstrated leadership, teamwork and academic excellence while at Westwood High School and who possesses an interest in studying business at a college or university. Michael J. Frucci was born to Italian immigrants, a proud graduate of Westwood High School, and a dedicated team player on the Football Team. He matriculated to study at Stonehill College and the University of Connecticut.

The scholarship will be recurring.

A vote of the School Committee is required in order to set up this scholarship.
