Honoring Tradition, Inspiring Excellence, Shaping the Future

SUSAN M. MASELLI
Director of Student Services

Dear Parent/Guardian:

Welcome to Kindergarten!

We would like you to help us learn about your child. The following questions concern your child's everyday behavior, growth and development, and medical history. You know your child best, so your careful answer to each question is important to us.

If you have any questions or concerns, please do not hesitate to call the principal of the school where you are registering your child. There will also be additional opportunities to talk with us during the kindergarten registration activities.

Thank you for your cooperation in filling out this survey. We hope that this is the beginning of our partnership in educating your child.

Sincerely,

Susan M. Maselli
Director of Student Services

Home Language Survey

Massachusetts Department of Elementary and Secondary Education regulations require that *all* schools determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.
