Brick Veneer

AESTHETICS and DESIGN GROUP SUMMARY COMMENTS

1. Overall the presentation was well received and going in the right direction.
2. Some discussion on light fixtures. D+W will continue to look at options
3. Some concern with the use of oak. D+W intention is to a white oak with a clear finish. D+W will prepare samples for review in person.
4. Some concern with loose chairs in cafeteria. D+W will review when furniture is being specified.

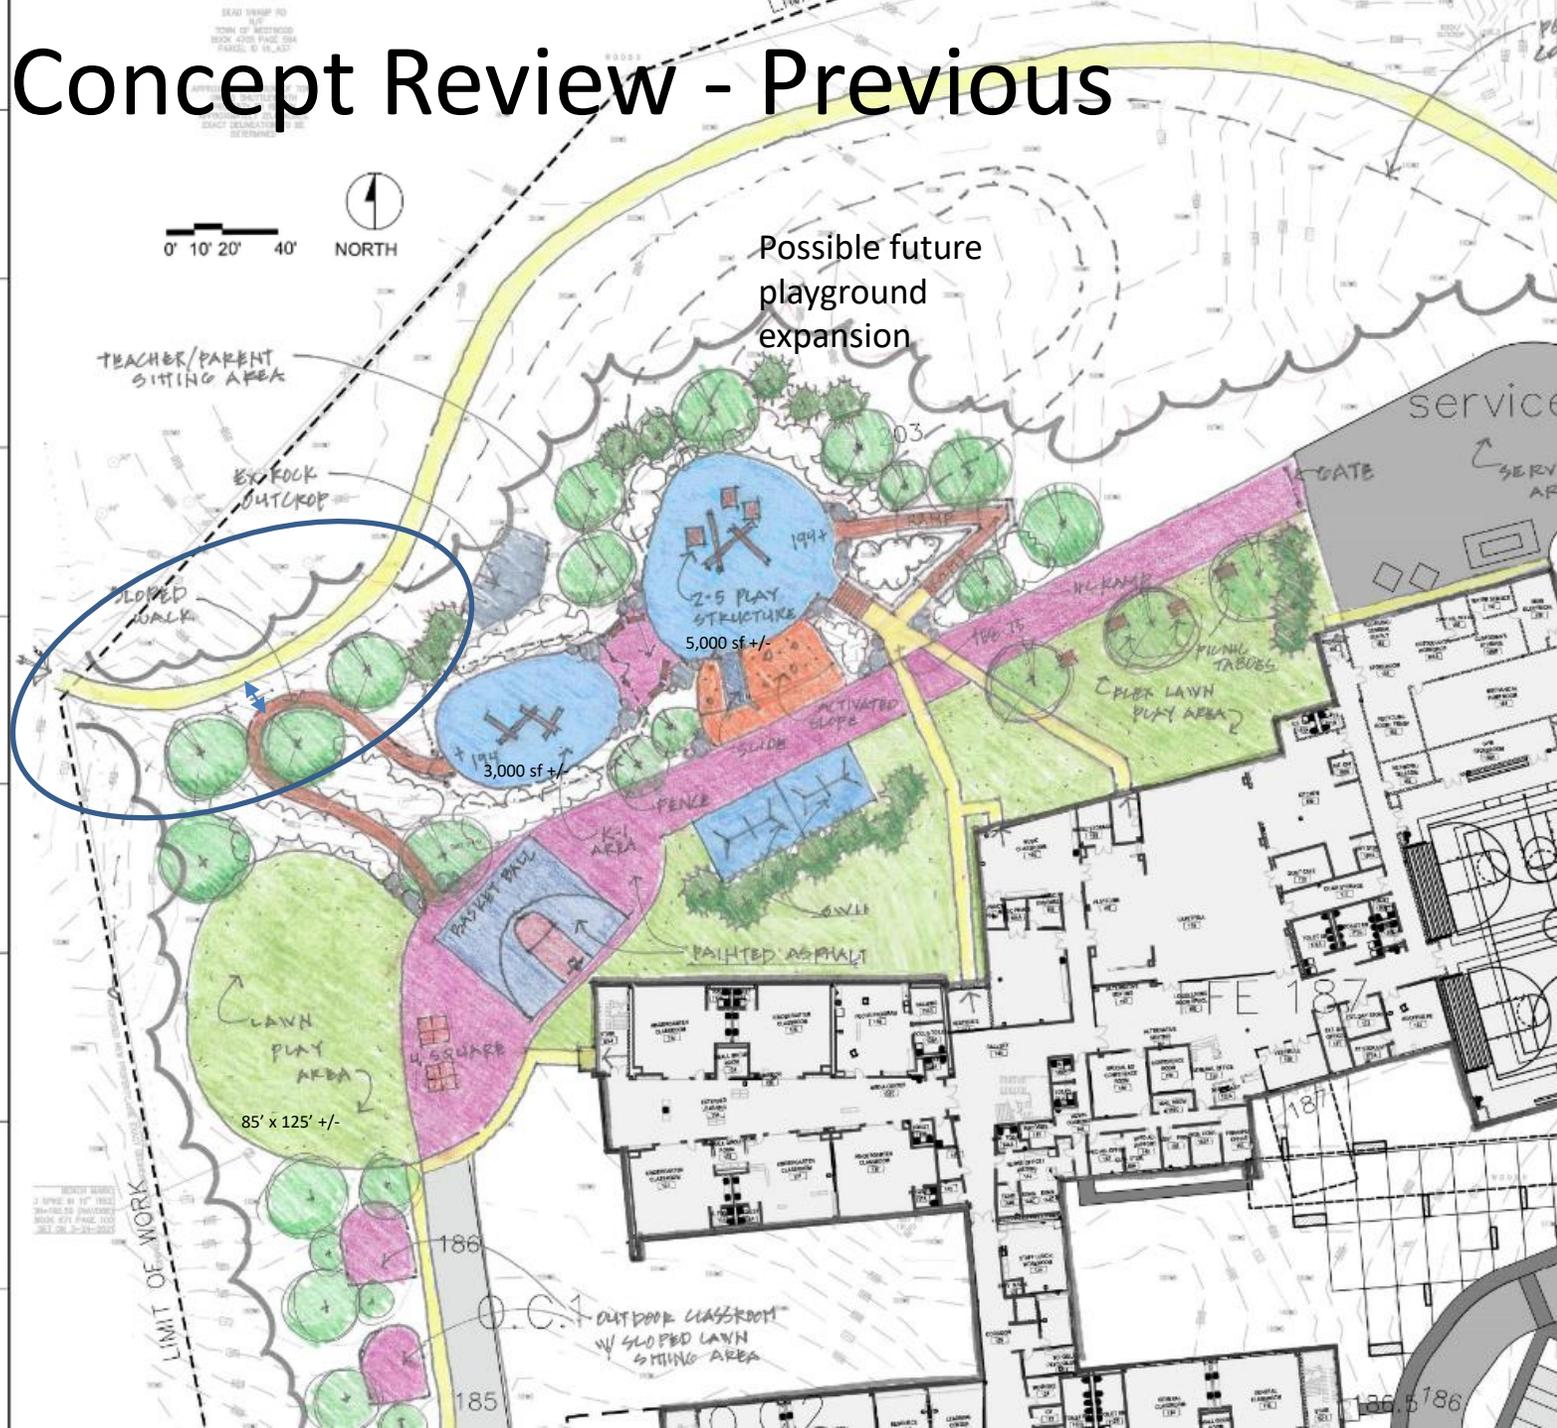

Site Plan Update

Playground Concept Review - Previous

PREVIOUS
ITERATION

10' distance
between trail
and walking
path

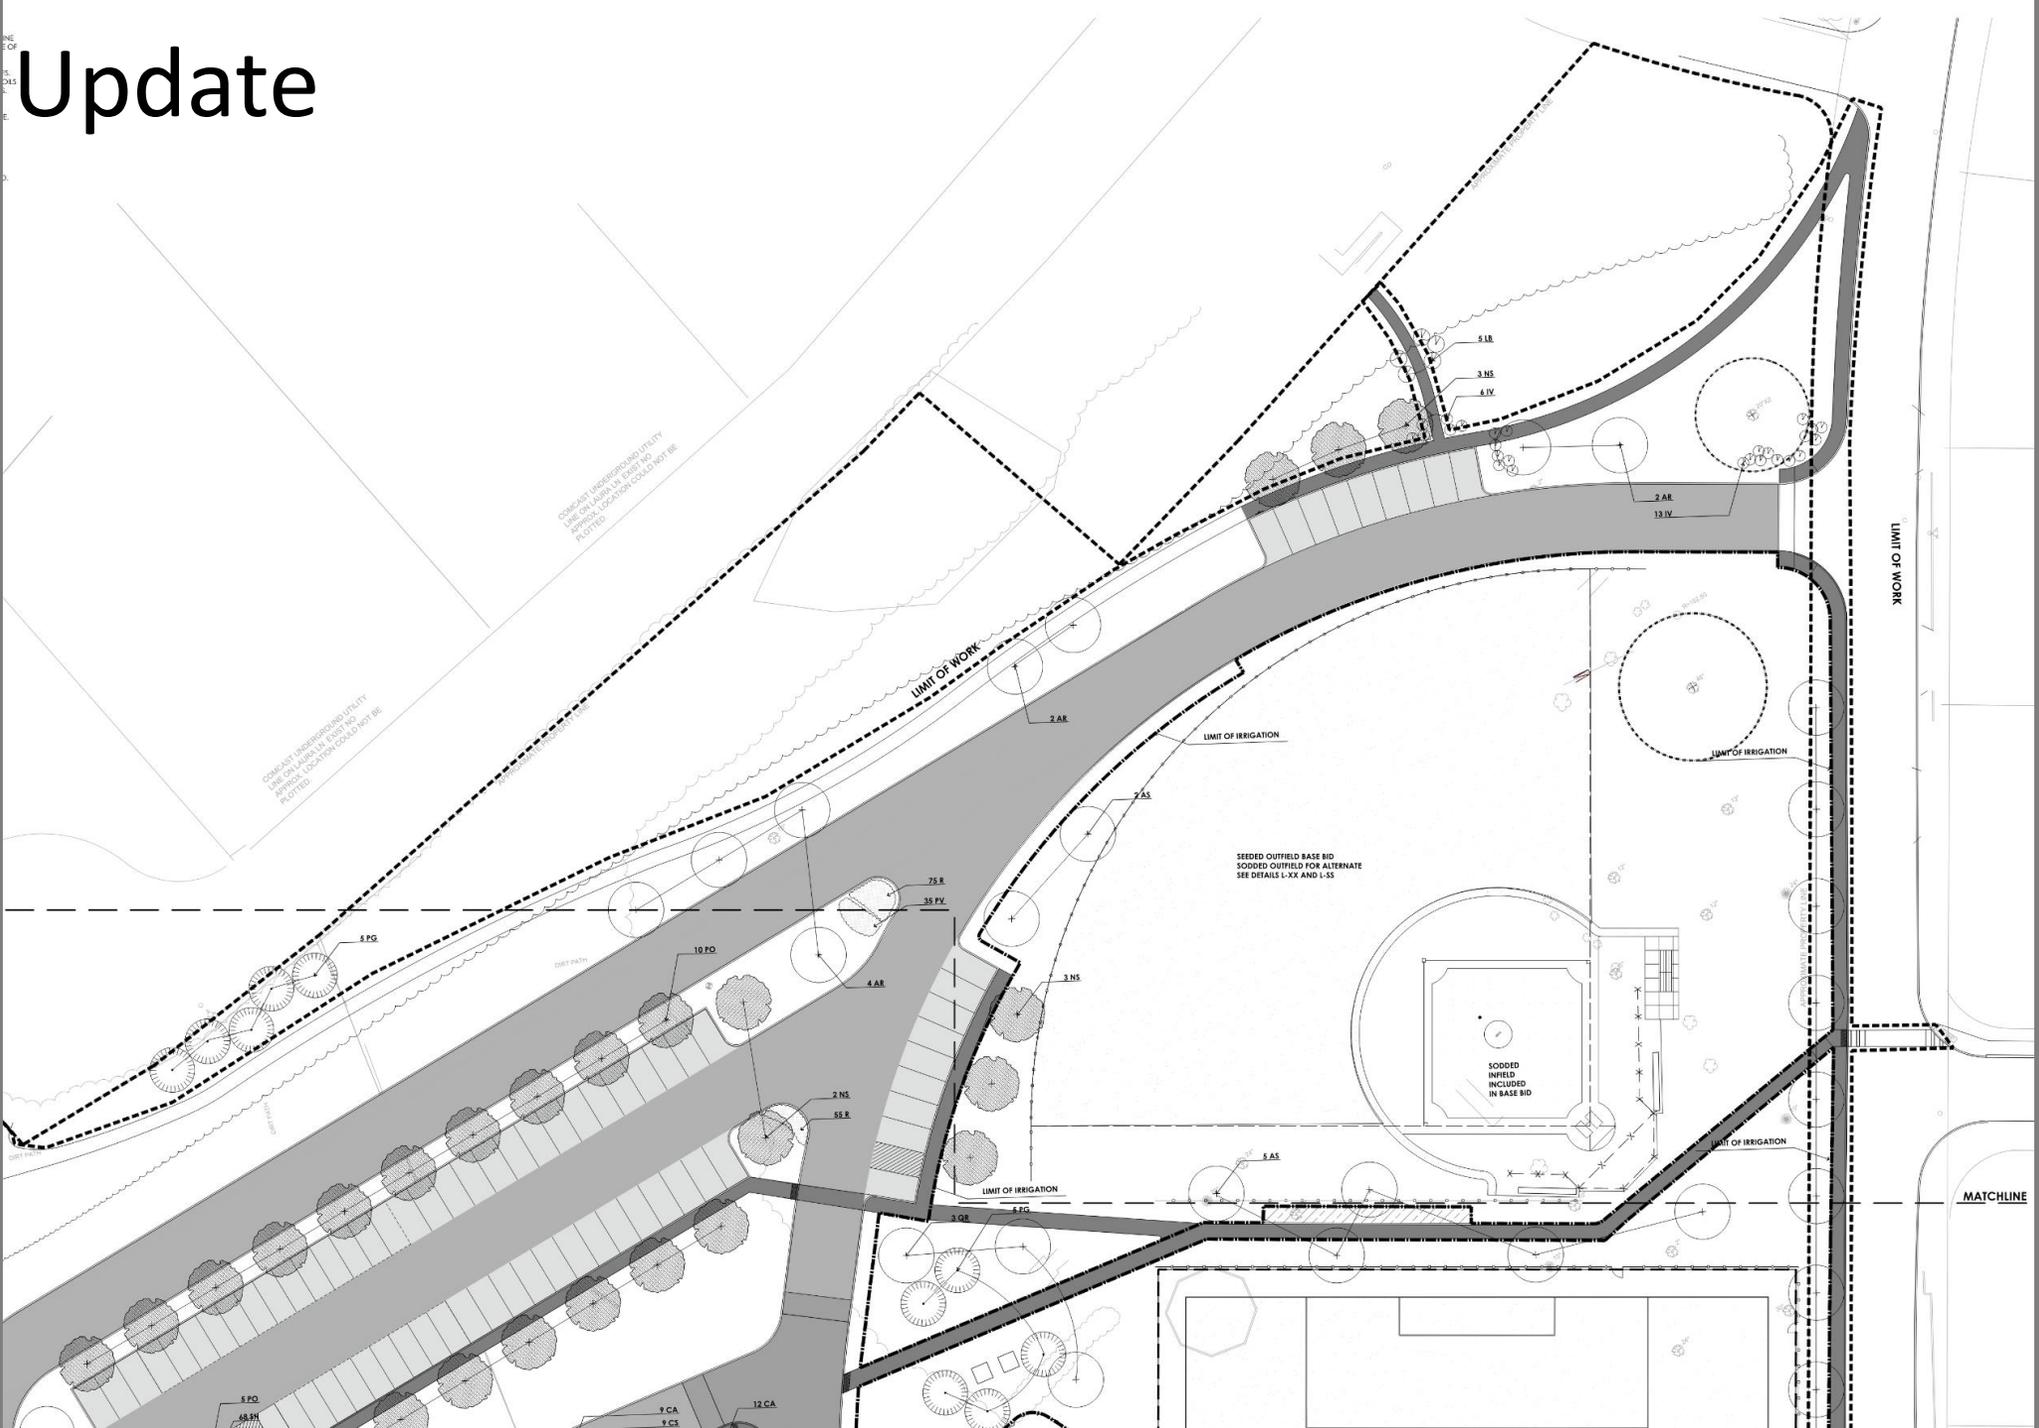

Site Plan Update

REVISION:

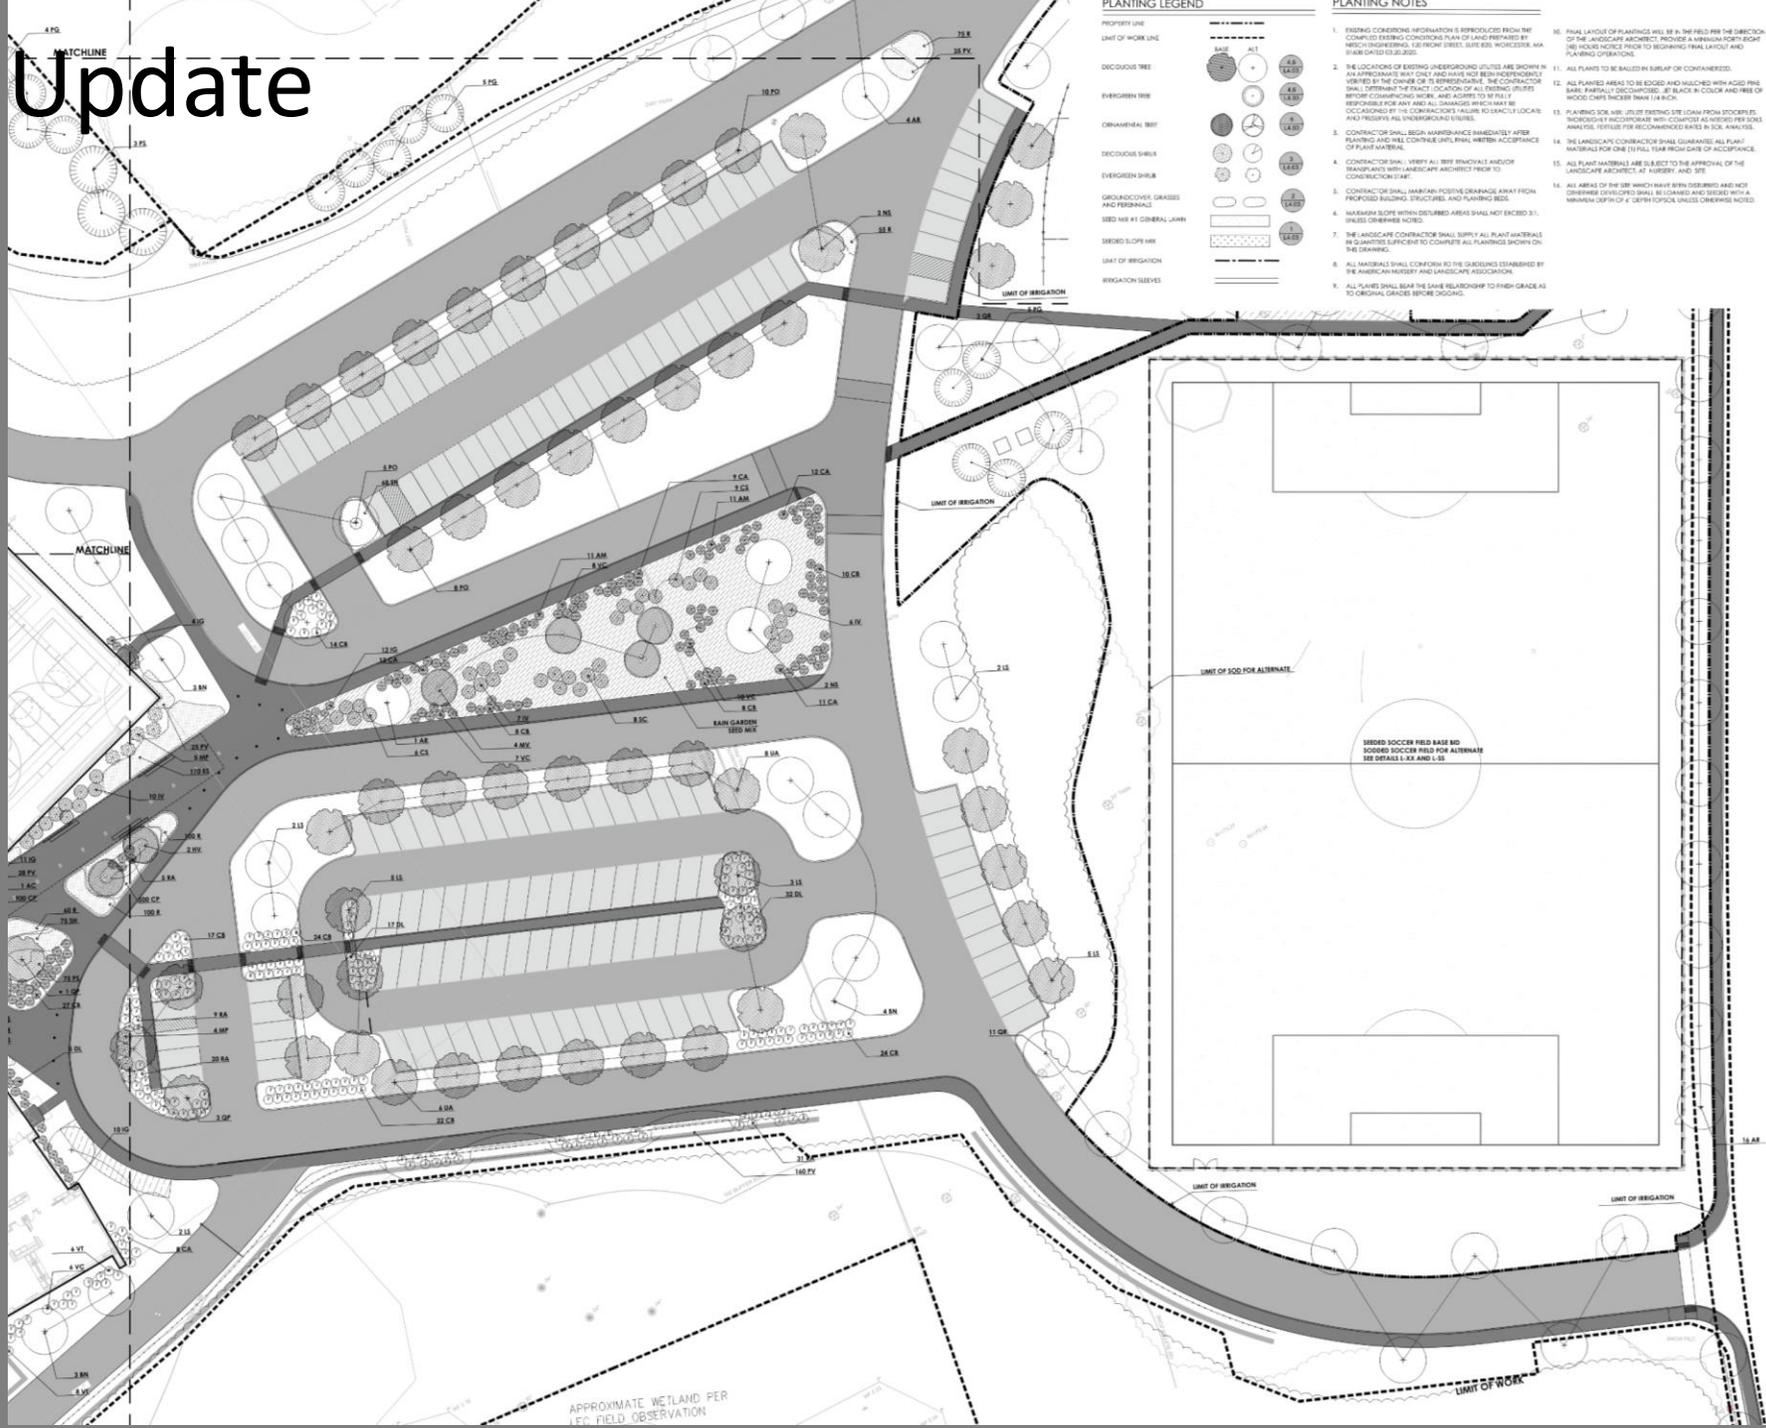

50' distance to access trail, and chain link fence along northern edge of playground
