

COVID Monitoring and Response Team Data

December 10, 2020

(with comparison data from 11/12/20 and 10/8/20)

Student Data

Since 9/14, **486** (last report: October = 133, November = 320) students have been supported by the COVID team and been absent from in-person instruction. Approx. 16% of the student population.

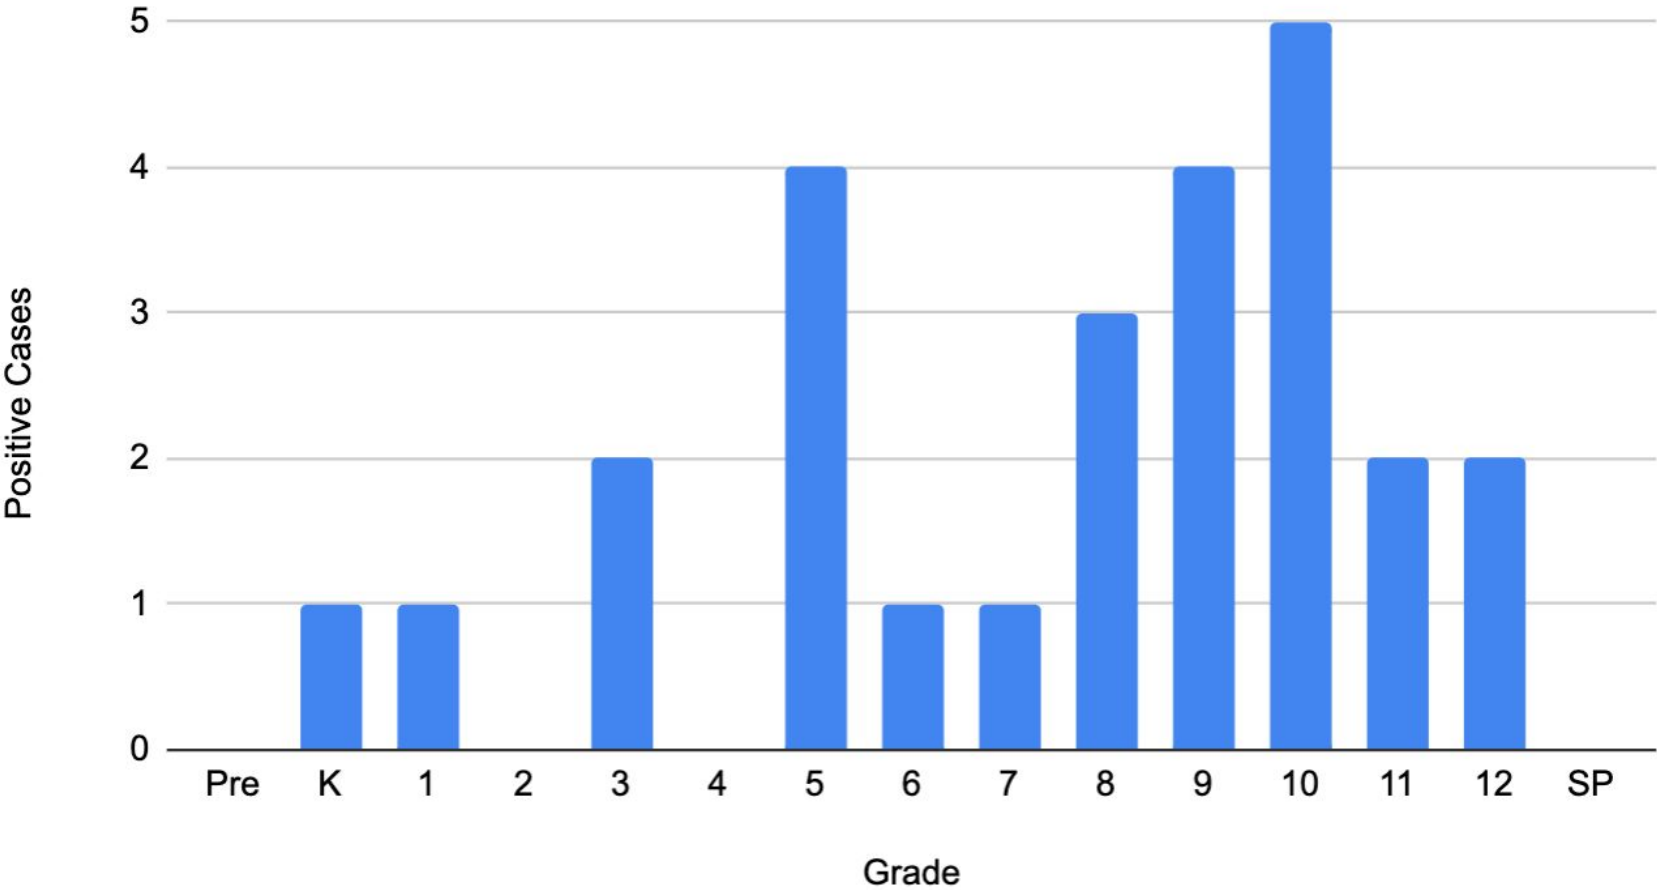

454 students (last report: October = 103, November = 271) have been cleared to return to in-person learning.

Student Data

32 (last report: October = 30, November = 49) students continue to learn remotely due to being quarantined due to travel, being a close contact or illness.

There have been **26** (last report: October = 1, November = 14) positive student cases identified.

Positive Cases vs. Grade

Staff Data

Since 8/31, **166** (last report: October = 59, November = 106) staff have been supported by the COVID team and been absent from in-person work. Of our 622 staff, 26% impacted.

152 (last report: October = 39, November = 96) have been cleared to return to in-person work.

Staff data

14 (last report: October = 20, November = 10) staff continue to work remotely due to being quarantined due to travel, being a close contact or illness.

There have been **17** (last report: October = 2, November = 6) positive staff cases identified.

Consultation

The three members of the Covid Team have consulted with **300** (last report: October = 89, November = 221) **parents and staff** since 8/31 to answer questions related to protocols, travel, symptoms, next steps, etc.

Thank you again to **Karen Poreda, Matt Gillis and Paul Lilla** for their work.

SEPAC Updates

12.8.20

COVID Compensatory meetings

Status of COVID Compensatory meetings:

On track to meet goal of having meetings for all students designated as High Needs by 12/23/20

Some have been at clinics and by phone with parent consent

CCS on agenda for all other students in team meetings across year

Evaluations from Spring 2020

54 students identified as having evaluations that were not completed during Spring 2020 - June 2020

53 of those evaluations are complete

1 is partially complete and expected to be be done next week.

Current evaluations are happening on typical initial/three year schedule

THANK YOU! THANK YOU! THANK YOU to WPS Staff and Parents

COVID Learning Plans

All students with IEP's have been issued a Covid learning plan indicating how services are occurring during the Hybrid schedule currently in place.

Covid Learning Plans will be updated as IEPs change and meetings occur during the year.

Report cards/Progress Notes are happening

504 plans and accommodations

[OCR issued an update on 9/28](#)

Indicated that 504 plan accommodations are still in full effect and that the method of delivery may be different

Also encouraged 504 teams to look at if due to COVID response new or different accommodations are now appropriate and previous ones no longer apply (ex. Provision of technology)

Meetings are being held virtually and are ongoing all year

What's Next/Now

“Home” Services - have started at Downey four days a week, 9 students participating right now

Extended School Day - at WHS students with extended day services began staying Oct. 19th on individual schedules - TMS is next

ESY 2021 - planning will start in January - going to be comprehensive

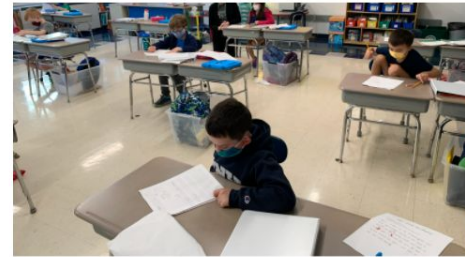

Planning for if we go **full remote** for an extended period of time now

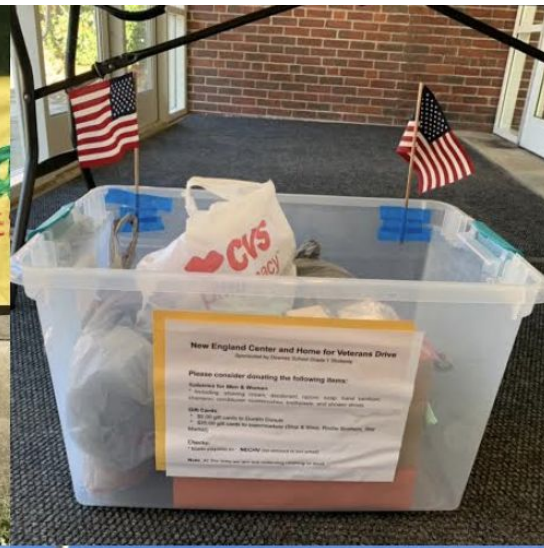

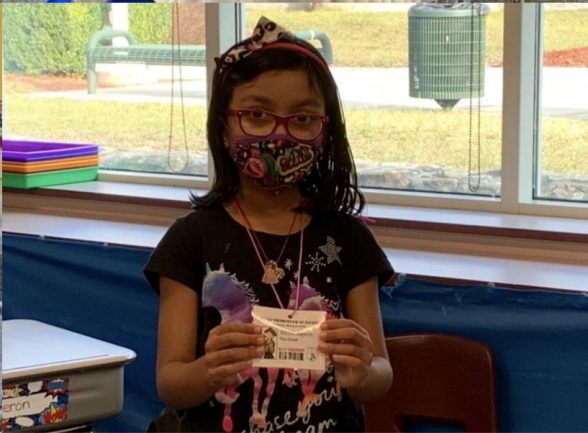

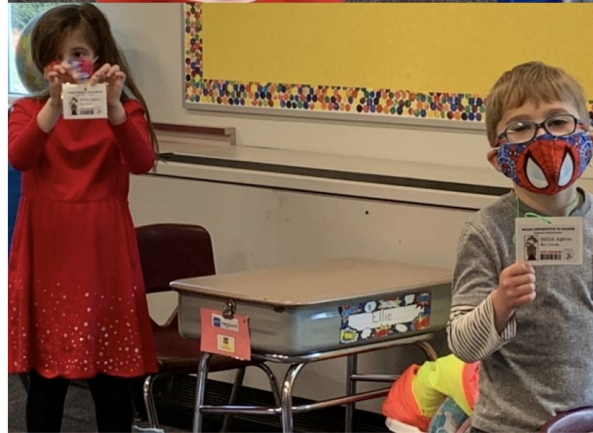

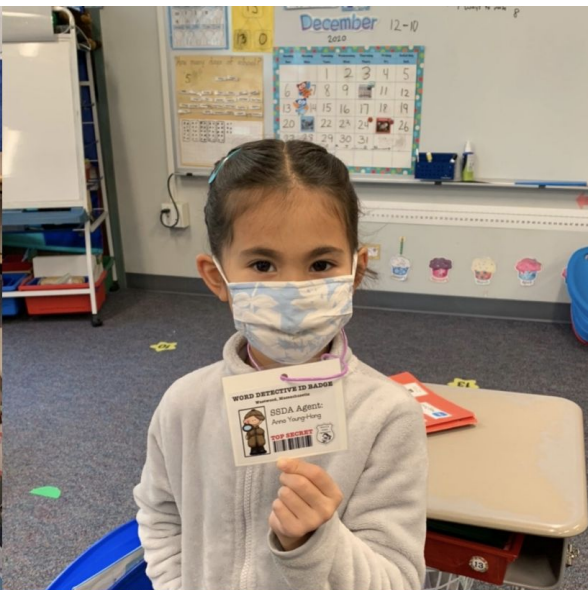

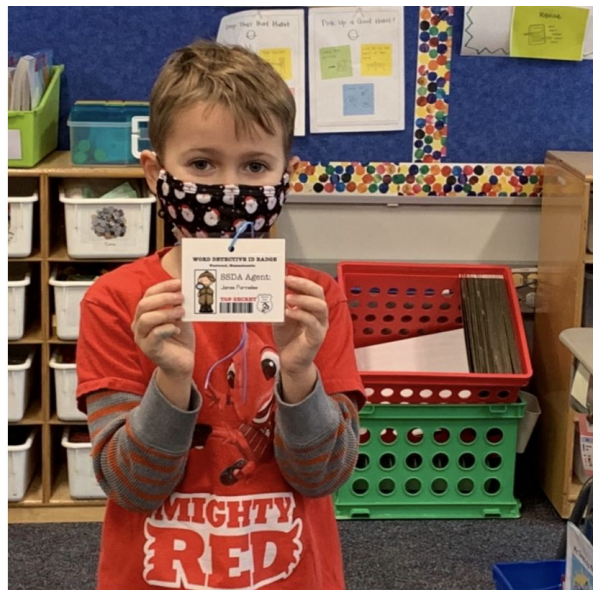

Reading and Writing Are Two of Our Favorite Subjects (1Dunn/Starsiak & 2Hartwell)

COVID-19 Advisory Group and Testing Update

Testing Initiative	Update
Gingko COVID-19 one-time testing for district staff	Conducted this week
DESE rapid diagnostic testing for students or staff experiencing some symptoms	Plan to roll out a pilot in January
Identifying a partner(s) to guarantee 24-48 hours PCR testing for symptomatic patients	Working to identify convenient partner(s)
Regular assurance testing for teachers/staff and potentially students	<ul style="list-style-type: none">• PCR pooled testing (likely weekly for staff)• Leveraging collaborative to look at a few vendors already vetted by other school districts in public school collaborative• Cost per tests for pooled testing lower

COVID-19 Test Participants

All Staff	64%
Admin Assistants	71%
ABAs	50%
Custodians	29%
Food Service	89%
Individual Contracts	75%
Instructional Assistants	60%
Non-Bargaining	74%
Teachers	72%
