Re: Westwood Gridiron Club Scholarship

---

**1. The official name of the scholarship:**

Westwood Gridiron Club Scholarship

**2. Criteria that the WHS Scholarship Committee should use to select the student winner**

To recognize a senior who participated in football and embodies the Gridiron spirit, leads by example with a tireless work ethic and demonstrates an unwavering commitment to the Team. This student athlete performs the “gritty” work behind the scenes that often goes unnoticed in the box score but is vital to the team’s performance and overall success. A student who never stops working to improve and who cares about his team more than himself, this player has shown examples on and off the field of leadership, respect and brings an overall positive energy to the program.

**3. How the funds will be distributed, and over what time frame.**

Annual donation, starting with \$1,000.

**4. The contact person’s name, mailing address, phone number, and email address.**
