

TECH Us Out

Thursday, March 30
Martha Jones, 7:00-8:00 pm

Members of the Westwood Public Schools Technology Department invite elementary parents & guardians to come **TECH Us Out** for an engaging workshop where you will experience how technology is used to support learning in the elementary classroom.

Parents & Guardians will hear our vision for technology, engage in a hands-on experience with the Google Platform, and learn how to support 2nd - 5th graders at home.

Presented by the Westwood Public Schools
Technology Department
