

Westwood Parent Math Workshop:

Understanding Addition and Subtraction Strategies

held at: Martha Jones School
Wednesday, October 7, 2015
6:30 – 8:00 p.m.

- ❖ Learn about how your child is experiencing addition and subtraction at school.
- ❖ Try some hands-on activities! And take some home to use with your child.
- ❖ Examine strategies that your child may be using to solve problems and master addition and subtraction facts.
- ❖ Consider ways you can support your child's developing understanding of addition and subtraction.

Please let us know if you plan to attend.
Return this form to your child's teacher. Thank you!

☐ I plan to attend the Math Workshop on Wednesday, October 7 from 6:30 – 8:00 p.m.

Parent's name:

Name and grade level of child(ren):

Name of school:

TEACHERS: Please put in Math Specialist's mailbox.
