## Our Community Standards

At the Deerfield School, we strive to...

- Work together to make our school a safe and welcoming place where every student can learn. (*Cooperation*)
- Do our best to learn by listening, asking questions, practicing, and reflecting about what we are learning. (*Academic Excellence*)
- Show every member of our community that they are safe and welcomed by the way we treat each other. (*Acceptance*)
- Interact with every member of our community in a welcoming, kind way so all can learn. (*Respect*)
- Take responsibility for our actions and for the effects those actions have, and seek to heal any harm we have done to others, even if that harm was unintentional, so all can be safe here. (*Responsibility*)
- Work hard so we can learn. (*Effort*)
