7:00 p.m.

WPS - District Administration

Professional Development Room

Do you ever wish that having a child with special needs came with instant access to a support group? Brenda Dater, author of *Parenting without Panic* and Director of Child and Teen Services at AANE, has provided parents with exactly that. Brenda addresses parents' frequently asked questions with warmth and humor. If you've ever wondered:

- when to talk to your child or other family members about a diagnosis,
- how to foster resilience in your child, or
- how to bring a little less chaos to your daily life

Please join SEPAC for this free event.

Books may be purchased at the event (cash or check) and Brenda will do a book signing after presentation and Q&A.
