

Westwood Elementary Parent Math Workshop

Understanding Fractions

in Grades 3 through 5

held at: Downey School
Thursday, January 7, 2016

6:30 – 8:00 p.m.

- ❖ Learn how your child is experiencing fractional concepts at school.
- ❖ Try some problems and play some games!
- ❖ Examine strategies that your child may be using to solve problems including the use of visual models and number lines.
- ❖ Consider ways you can support your child's developing understanding of fractions.

Please let us know if you plan to attend.
Return this form to your child's teacher.

☐

I plan to attend the Fraction Workshop on Thursday, January 7 from 6:30 – 8:00 p.m.

Parent's name

Name and grade level of child(ren)

School
