

JAZZ BANDS

The 5th Grade Jazz Bands are now well into fall rehearsals. Mr. Yennior and Mrs. Labeledz are teaching students the basics of jazz style, inflection and improvisation skills. Here are a few of the songs students are learning: Bunny Hop Blues, Bag's Groove, B's Blues and C Jam Blues. Students are encouraged to listen to professional recordings of these tunes. Listening to jazz music helps students to understand and interpret jazz style. Be on the lookout for emails from Mr. Yennior and Mrs. Labeledz pertaining to future performances.
