

Westwood Youth & Family Services

Friends Network

The Friends Network program matches young Westwood residents with high school aged residents in 1:1 same-gender pairs that meet weekly to engage in games and activities in a relaxed setting. This is a great way for children to engage with a positive role model while forming a special friendship and having fun! **Please note:** Admission to the Friends Network Program is based on a matching process and is heavily dependent on the number of high school mentor participants. Unfortunately, we cannot guarantee a spot for all applicants.
