We invite you to enjoy our 24th annual “*Encounters with the Arts*”, an open house of art, theatre, and music which will take place on Thursday, March 22nd from 7:00 - 9:00 PM, celebrating arts achievement at Westwood High School.

All performances and exhibitions will take place in the Visual and Performing Arts wing at the high school. Admission is free.

This is a wonderful opportunity for students to showcase their talent and creativity with the community. It is also a perfect opportunity for middle school students and their parents to observe the wide array of elective opportunities available to them at the high school.

For additional information, please contact:

Understanding and Responding
to Kids with Emotional & Behavioral
Challenges using a Positive,
Strength-Based Approach

Written primarily for professionals, volunteers and parents who guide kids with emotional and behavioral challenges, the revised edition of *No Such Thing As a Bad Kid* is packed with positive, trauma-informed, strength-based principles and techniques that help child-guiders to develop powerful and transforming relationships with the kids they guide. This empowering handbook opens by portraying misbehavior as a call for help. It then guides the reader through “decoding” the message and, via hundreds of hands-on tips, sample dialogues, and inspiring anecdotes into research-backed approaches for revolutionizing interactions with kids at risk. The book is all about changing the negative mindsets many kids harbor and giving them hope for better days. Even parents of children not at risk will benefit from this book.

Please join SEPAC for this free event.
