BANK

Where Each Relationship Matters®

For every book that the student reads between June 1, 2018 and August 31, 2018, he/she will receive a \$2.50 deposit into a Rockland Trust Savings account, up to 10 books or \$25. The student must read at least 4 books to qualify for the initial \$10 account opening deposit. Once the student reads 4 books and makes the corresponding journal entries during the 2018 program timeframe, Rockland Trust will open a Savings Makes Cent\$ account in the child's name. After the initial 4 book threshold, students may bring in their completed journal and request a deposit in any increment. All deposit requests must be made at the branch location where the student enrolled. Accounts may be opened and/or credited until September 10, 2018. To open the account and qualify for the \$10 reward deposit, the student must go to a local Rockland Trust branch accompanied by their parent or legal guardian and complete a Reading Makes Cent\$ enrollment form and all necessary account opening paperwork. The parent or guardian will need to be a co-owner of the student's savings account. Program, rules and eligibility subject to change at any time.
