New This Year

We will be adding the Downey School as a site for Downey students for the 2021-2022 school year.

Deerfield students will return to the Hanlon School for Extended Day for the 2021-2022 school year.

Note: The Westwood Public Schools may revisit Extended Day locations in future years.

Due to staffing concerns, we are not able to allow families to enroll students only on Wednesdays in after-school. If you choose to participate on Wednesday, your child must attend at least 1 or 2 other days during the week.

Chrissie Niedzialkosi, who has been with the Extended Day program for over 20 years will be stepping into the Assistant Program Director position. Since Chrissie has spent time as both the Martha Jones and Sheehan Site Coordinator, she is the perfect choice to split her time overseeing both sites with the assistance of lead teachers at each site.

Eliza Yee will transition over to Hanlon as Site Coordinator. She will be able to assist our Deerfield students on their transition back to Hanlon. I know I am leaving Hanlon in good hands!

Donna Harris, who also has been with the Extended Day program for over 20 years, will be the new Site Coordinator at our Downey site. Donna has been working at Downey this past year as their building sub and is the perfect choice to lead our expansion into Downey.

To allow for scheduling, enrollment for the 2021-2022 school year will be suspended on August 15th and will reopen by September 20th.

If you have questions about or problems with the on-line registration form, please contact me. The Extended Day staff are looking forward to seeing your child in September!

Best Regards,

Michael Fagone
