

Martha Jones School - School Site Council

January 29, 2018

Agenda

- Family Inclusion Survey - I'd like for each us to come with some questions that we would send to families as part of a survey, to ensure that all families feel represented and included in the Martha Jones Community. Not sure exactly what it would look like but all ideas and suggestions are welcome.
- Budget - The FY 19 Budget has gone to school committee. I can briefly review the changes for next year and answer any questions.
- School Improvement Plan - Check in.
