

STEAM PROGRAM 课后班

US STEAM Academy offers after-school STEAM classes for children ages 6 and up to strengthen students' STEAM skills and improve academic performance. We offer school work support at our extended day program.

Classes: Lego Robotics I, II & III, Mathematics I & II, Programming, Drawing I & II, Electronic Engineering, Language, Arts/Crafts, and School Work Support

Days: Monday to Friday (Classes start on 10/3/16. We follow Westwood Public Schools calendar)

Time: 3:30 pm – 6:00 pm * (Extended day after 6 PM can be arranged)

Location: Westwood High School

Come join us at Westwood Day on 9/24 (Volunteers are welcome)

Visit www.USsteam.org for class listing and schedule

Famous math teacher Mr. Zhang Jian will teach math on Monday.

Many of his students are:

- National Mathcounts Winner
- AIME Qualifier
- JMO/AMO Participant
- MOSP Participant
- HMMT Winner
- SAT/ SAT II Math Full Score

Register for a Free trial math class on 10/3/16

3:30-4:30 PM Math I

4:30-5:30 PM Math II

5:30-6 PM Mr. Zhang talks about how to improve math skills.
