A to Z Connect Reminder

The Sheehan School PTA uses A to Z Connect as our membership platform. The system was upgraded this year and users must create a new account.

Please log in to the website below to create an account. Returning users can use the previous username/password - please use the same email address as the previous A to Z. New users can create a new account. Only one account per family is needed.

As a reminder, this website is where families can access the student directory. This directory is accessible for members who have paid dues. We will also use this website throughout the year for other PTA events. From the website you can download the mobile app as well. Please contact Julie Slotnick at julie.slotnick@gmail.com with any questions or concerns.
