Dear WPS Families:

Last month, I shared with you the FY'24 Proposed Budget in advance of the January School Committee meeting budget presentation. At last week's School Committee meeting on February 9th, I presented revisions to the FY'24 budget proposal. The [video](#) of the presentation and the [slides](#) are posted on the District website. The public budget hearing will take place at the March 9th School Committee meeting.

Sincerely,

Emily J. Parks
Superintendent
