The Westwood Early Childhood Office is home of the Coordinated Family and Community Engagement Program. (CFCE) We serve families with young children. In an effort to support parents in their role as their child's first teacher, we have coordinated these programs to provide enriching interactions between parents/caregivers and children.

Our goal is to provide programs that are inclusive and supportive to children of all abilities and their families. All Westwood residents are welcome and encouraged to attend. If access to or participation in a program or event presents a concern for any reason, please contact Janet Lucey.

Thanks to the fundraising efforts of the Early Childhood Council, and generous donations from the Westwood Young Women's Club, and Foundation for Westwood Education, these programs are free of charge. We fund raise throughout the year and would appreciate any support you could offer whether as a financial donation or as volunteer hours.
