FAMILY QUESTIONNAIRE #1

July 13, 2020

Dear WPS Families:

I hope your summer is going well.

As we continue to develop plans for the 2020-2021 school year, we need some specific information from you around your current thinking of the "in-person model" for September. In this model, all students return in-person to school settings that are modified to accommodate the health and safety requirements outlined in the [DESE Initial Fall Guidance](#). Examples of modifications could include altered classroom configurations that are physically distanced by a minimum of three feet, additional learning spaces, masks for most students, and schedule changes.

Please complete this very [short questionnaire](#) ASAP, but no later than **5:00 pm on Thursday, July 15th**. Unlike an anonymous survey, this questionnaire is designed to provide us with details that we can use to think about logistics like class configuration, bus routes, etc. **You will need to complete a separate questionnaire for each of your children**. As the situation with COVID-19 is fluid, this will be the first of at least three questionnaires I will be sending you over the next several weeks.

Thank you in advance.

Sincerely,

Emily J. Parks
Superintendent
