Principal's Message

MJ,

This time of year is filled with celebration for many and I wanted to highlight some student achievements. Martha Jones had the top 2 elementary finishers in Massachusetts for the Stock Market Game. The team of Ethan O. and Yaqub R. finished in 1st place and Owen B. and Joanna C. finished in 2nd place. Their financial acumen and collaborative spirit were truly impressive. It is inspiring to see our students applying classroom math to real-world scenarios with such success. We can't wait to see what these future financial whizzes achieve next!"

The 5th grade play was also a rousing success! Congratulations to our cast and crew! Thank you to MJ Directors Kris McDonough and Karen Lane and the all the parent support.

I wish everyone a relaxed, refreshing, and safe break.

Matt

Gift Season and Technology In Schools

As we enter a time of year when we think about gifts for children, I want to remind families of the elementary expectations from our [student handbook](#) specifically about smart watches.

Mobile Phones, Smart Watches, Electronic Devices (iPad, Laptops, Gaming Devices)

These items are NOT allowed in school as they are a distraction to the learning environment. If a student brings these items into school the classroom teacher will ask them to turn off their device and place it in their backpack. If a parent needs to send a communication to their child during the school day, parents should contact the school's main office and leave a message with the administrative assistant

News from the Front Office

Student Safety and Vehicle Traffic

Student safety is one of our utmost concerns. We kindly ask that you are extra mindful when you are coming to MJ to collect your child. [The safety of all students depends on all drivers obeying the rules and speed limits.](#)

Thank you

School Dismissal Manager

Thank you to everyone for embracing the technology! SDM is designed to give you, the parent/guardian control over your child(s) dismissal, late arrival, early dismissal, and absence. This is just a quick reminder to please be sure to update SDM should you have any changes to your child(s) normal or default attendance or dismissal preferences. Changes must be made before 11:00AM.

Bus Reminders

For those families who have signed up for bus services this is just a quick reminder that students may only ride his/her assigned bus. Transporting students to alternative, yet existing, stops on the student's same route may be granted if done so on a regular basis (example: three days per week). Requests for alternative stops should be made in writing to: Scherie Ciarrocchi, Bus Coordinator and sent to: Westwood Public Schools, 220 Nahatan Street, Westwood, MA 02090. Transporting students for play dates, lessons, or other reasons is not permitted. A full list of [Transportation FAQs](#) can be found on the [WPS District website](#).

CORI Forms

Thank you to all our wonderful MJ Community Members for volunteering. Please note all volunteers **must** have a completed CORI background check before volunteering or chaperoning of any kind. People who have completed a CORI through another town department (ex. Parks & Rec) must still complete a CORI for the School Department.

WPS is implementing an updated CORI policy whereas **all volunteers must complete a CORI annually**. If you did **not** complete a new form when school started in September you WILL BE REQUIRED to complete a new form starting in the next calendar year (from January.)

Also note the CORI Form submission is not considered complete until it is also accompanied with a copy of your current picture ID (License or Passport).

Thank you for adhering to the District Safety practices.

Lost and Found

Please be sure your child's items are labelled with a name or initials. Here in the office we do our best to get labelled items back to their forever homes. Items without labels get sent to the donation bin after 4 weeks. (*For those who remember Ms. Santangelo uses the old Filene's Basement method - date and check 😊*)

Morning's in the Office here at MJ

Patience and grace is what gets us through the mornings here at MJ. Here is a quick rundown of the activity timing in the front office first thing in the morning.

8:00AM and it's the start of the work day - logging on to the various computer programs that help track student (SDM & X2) and staff (Aesop & X2) attendance. As student absences and late arrivals are received in SDM these are added to X2 (until the start bell at 9:00AM).

At 8:30 the internal "Daily News" is distributed electronically to MJ Building Staff advising of coverage needs for absences & meetings, any hot items for the day like schedule changes, special visits/enrichment, or deadline reminders.

At 8:40 the early arrival bell rings which begins the teacher work day with some staff on morning recess and breakfast. Buses are arriving from 8:40 - 8:55, and substitutes are coming in for morning assignments.

At 8:55 the line-up bell rings and students proceed to classrooms. In the office we are also getting ready for "Morning Announcements" - presented by four 5th grade volunteers! 9:03 and it's live from the "MJ broadcast booth" (Ms. Santangelo's desk) with the announcements and morning pledge. By 9:10 all attendance from classroom teachers should be completed. Now it's time to reconcile and make sure absences in classrooms match what the school has been alerted too through the SDM app. If there are discrepancies a call is made to the classroom to confirm the student absence and an email sent to parent/guardian advising of absences. The goal is to have the email go to parents no later than 9:30AM.

And... while all the above is happening the front door gets a constant stream of rings from late students, special visitors, and/or parents dropping off items or volunteering here at MJ. Busy mornings here so a well deserved thank you and shout out to all who help out 😊

Message from the Extended Day Office

Holiday Break Hours

Please note **Tuesday December 23rd** is an Early Release. Elementary students will dismiss at 12:00pm.

Extended Day will open at dismissal and will **close at 3:00pm** for the Winter Break. A cafeteria lunch will be available for Extended Day students.

News from 2M (Ms. Mundy)

This month in Social Studies, 2M has been on an exciting journey to become Geography Experts! We've been using maps and globes to explore the biggest features of our planet: the seven continents and five oceans. We have recently been learning about the differences between two major types of maps. Earlier this month, students learned that **physical maps** use different colors to show the elevation (how high or low the land is), helping us to find mountains, valleys, and plains. This week, we shifted focus to **political maps**. Students discovered that political maps show us the man-made boundaries that divide the world into countries and help us locate important cities like

national capitals. The students have enjoyed learning about all that maps and globes can teach us about our world! They are developing a strong understanding of how to use these tools to locate, describe, and compare places on Earth.

News from KL (Mrs. Layton)

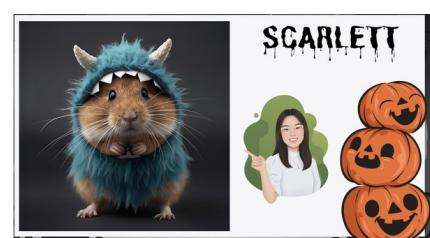

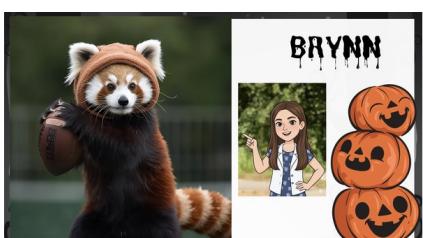

CVC words (consonant, vowel, consonant) are foundational for Kindergarteners to begin building reading skills. They help Kindergarteners with:

- *Decoding- They teach the simple skill of sounding out individual letters and blending them into a word
- *Phonemic Awareness- Helps children hear and manipulate sounds within words
- *Building Blocks- Essential for moving on to consonant blends (i.e.- gr, bl, sm), digraphs (sh, ch, th, wh), and longer words

Our class has been practicing blending CVC words using hands-on methods like magnetic letters, magnetic letter chips with swipe wands, picture cards and sound boxes. We have been focusing on one short vowel at a time and making it multi-sensory and fun!

News from Dr. Murphy - Technology & Mrs. Swinning - Library

After spending October learning about AI during **Tech** classes, 5th graders finally got a chance to try out a Generative AI tool in Canva called Magic Media. First, they listed as many Animals, Costumes, and Activities as they could, then they got a chance to ask AI to generate some pretty cool Halloween images!

In **Library** classes, students in grade 4 also used AI in lessons surrounding the history of Thanksgiving by having a conversation with "Squanto" using Magic School AI. Their questions and responses were very thoughtful and led to some great thinking.

As we get closer to the end of 2025, we wanted to pause and just say thank you to everyone who makes Martha Jones the wonderful community that it is! We can't imagine a better place for learning and growing. Don't forget to follow us on IG and Facebook to get all the latest and greatest happenings.

Martha Jones & Westwood Gear Store is OPEN!

We're thrilled to announce that the [Martha Jones Store](#) is officially open! This year, we're offering brand new products for both **Martha Jones** and **Westwood**.

Orders typically take about **two weeks** to process. You can choose to have your order **shipped directly to your home** or **pick it up at Amerasport in Holliston**.

Be sure to **place your orders soon** so your items arrive in time for the holidays! Proceeds from all purchases will **benefit the Martha Jones PTO**, helping support our students and school community.

ANNUAL CONTRIBUTION DRIVE

We are sooooo close!! We aim to raise **\$7,500** from our [annual PTO drive](#). Every donation, no matter the amount, is appreciated and important in helping us continue to fund enrichment and

community activities. Please consider making a contribution today! We recommend a contribution of \$50 for families with one student and \$100 for families with two or more students.

Donate based on what feels comfortable for your family and your financial situation. Every amount, big or small, is greatly appreciated.

As a reminder, we also have a [Corporate Match](#) option. Many employers offer matching donations because MJS PTO is a qualified 501(c)(3) non-profit organization.

BIRTHDAY BOOKS

Participate in the [PTO Birthday Book Program](#)! Ms. Swinning has selected some fantastic books that students have requested, but the Martha Jones library does not currently have. During their birthday month, participating children are invited to the library to pick a brand new book from this collection. A bookplate commemorating your child's birthday will be placed inside the front cover and they will be the very first student to borrow this book! Once they've finished reading it, the book will be returned to the library's collection, where it can be enjoyed for years to come. The cost of this program is \$15 per student.

Resources for Families and Students

Throughout the school year, there may be family, community, or broader world events that are impacting your family and child(ren). If you need some support with how to talk with your child about violence, loss, or scary events, please reach out to your child's teacher, me or our School Psychologist, Ms. MaryKate Stimpson. Additionally, I have found the following resources to be valuable:

How to talk to children about violence ([1 page](#)), ([full](#)) - NASP
