### PTA Dues

PTA Dues are collected annually and are \$54.50 per child or \$79.50 per family. Dues should be paid online via the NEW A to Z Connect. Dues go directly to support the Sheehan School community. Last year we purchased the 5-gallon buckets for all students to use at lunch, refurbished the Outdoor Learning Center (OLC) and purchased new indoor recess items for teachers. We look forward to more events this year!

### Attention!

The previous A to Z Connect website used by the PTA was upgraded. All users must create a new account. See attached instructions. The new website is: <https://sheehanpta.membershiptoolkit.com>

See next page for information about how to register and download the new app!

# A to Z Connect - UPDATE

**A to Z Connect is now powered by Membership Toolkit.**

**All users (old & new) must take the following steps.**

1. Go to the website: <https://sheehanpta.membershiptoolkit.com>
2. Click "Register/Login" and then "Create Account"

**NOTE: Even if you already have an AtoZ account, you will need to do this to access the new site**

3. Create your family's account and click "verify my email"
4. Check your email for a link to complete the process
5. Complete your registration by confirming your info and directory permission settings.

## **Download the Membership Toolkit App**

Once you have created and verified your family's account by following the steps above, download the free Membership Toolkit mobile app. If you have the old AtoZ Connect app, delete it because it's retiring and won't support this site.

## **Do you have kids at other schools using the Membership Toolkit?**

Toggle between schools within the app by tapping on the menu icon in the upper left corner, select the settings icon, and then "change organization" to see your schools. You need an AtoZ Connect account created and verified at each school for them to appear in this list.

Once you pay your PTA Dues, this is the website where families can access the student directory. We anticipate that the directory will be available in early October. We will also use this website throughout the year for other PTA events including purchasing apparel for the annual school apparel sale, buy tickets to the fall social and coordination of other events throughout the year.
